A Physician's Testimony For Labatt's Stout.

Dear Sir:—
 Speaking from personal experience I can state that your Stout is excellent in building up the system—I was very much run down and was advised to use Labatt's Porter—this I have done for some time and I largely attribute to its effects my steady improvement in strength and weight. I deem it but justice to you, and it certainly is a pleasure to me, to add my testimony to its sterling qualities, and I gladly recommend your Stout as an excellent tonic and food in cases where such is required.
 Yours truly,
 JOHN LABATT, Esq., Brewer, LONDON, Ont.

"I Can't Afford It."

Is frequently given as a reason for not insuring. If you are unable to save even the amount of an insurance premium, think then, if you were taken away of the hardship and misery which poverty would bring upon your family.

A little self-denial practised now will enable you to pay for a policy of insurance, and thus make some provision for dependents.

The financial strength of the

NORTH AMERICAN LIFE

renders its policyholders unexcelled security, and the good returns indicate their desirability as an investment. A policy taken now would provide your family immediately with the protection which insurance only affords. Should you live the cash return would well repay you for the economy practised.
