

HOW CAN YOU LOSE?

HOW CAN YOU BE OUT A PENNY, in using it, in giving it a chance?

How can you make a blunder in trying it, in testing it for 30 days, in letting the experience of thousands guide you, when you don't pay a penny until it is proven, until you can say with gladness and gratitude "It is all right. It is the best thing I ever struck. It is an honest remedy." What risk do you run when we take positively and absolutely all the risk? How can you refuse when everything is in your favor, when it is all one-sided (your side), when we must show you before we can see a penny of your money, must deliver it at your door, right in your hands, must let you try it for 30 days, must let you judge for yourself, must be entirely satisfied with your decision, whether it be Yes or No? When it does the work you will gladly pay for it. If it fails, we lose. You don't! You cannot lose one way or another because you have not one single, solitary penny at stake. But you stand to win a great deal that you want, a great deal that you are fighting for—health, strength, vigor and comfort—Yes, even life.

No one can lose a single penny by trying it for thirty full days, but thousands gain freedom from disease, from Stomach torture, from Kidney tyranny, from Bowel enslavement, from Heart fear, from Rheumatic bonds. No one can throw away a cent in testing it, but thousands throw away the shackles of disease and become healthy, natural and normal men and women. Health is here, where you can get it without risking a penny. How can you refuse? Health is worth trying for! It is worth writing for. It is worth getting out pen, ink, paper and envelope and writing us as follows:

"I am sick. I need Vita-Ore or something that will cure me. I have seen your trial offer. Send me a dollar package. I will use it and pay the dollar if it helps me. I will not pay one penny if it does not help me."

That is all it takes. Just a letter asking for it, just your promise to use it. What excuse have you to keep on suffering? How can you continue to look your family in the face and say: "I feel so sick today" or "My back aches" or "That rheumatic leg is getting worse" or "My stomach is bothering me again," when here, right at your elbow, right within your reach, ready and waiting for you to turn and get it, is the thing that has set thousands right, yours for the mere asking. A WINNIPEG MAN'S WONDERFUL CURE

Read This Letter. It Shows Why Vita-Ore's Reputation Has Grown Over The Entire Length and Breadth of Canada—Because It Cures

WINNIPEG, MANITOBA.—I suffered for nine years from systemic Catarrh, a bad case of Piles and incipient Rheumatism. I am employed in the mail service and my troubles naturally made it almost impossible for one to continue with my duties. I had lost flesh, could not sleep, had no appetite and was so incapacitated for work, that I had to get well or resign from the service. I took every kind of medicine having the least recommendation for it, and spent lots of money on high priced doctors, some of the best in Winnipeg, but all to no avail. Sometimes I got a little better for a while, but it was only temporary and I was about to give up in despair, when I accidentally saw the Vita-Ore advertisement. I sent for it, and what was my joy to find that one package of Vita-Ore entirely cured my Piles, so that I could at once resume my carrier duties. After using two additional packages my Catarrh and Rheumatism also were cured. Within a week's time after beginning its use, I had regained my appetite and sleep of the healthy man. I have now regained my lost flesh so that my old friends are filled with wonder at my improvement and returned health. Vita-Ore not only relieved me of pain and saved my health, but it saved my position in His Majesty's Service as well. It was all accomplished so easily, quickly and at so small a cost, that I cannot refrain from constantly recommending Vita-Ore to all my friends who are suffering ill-health as I was. It has also done wonders for my father, C. H. Cooke, who suffered untold agonies for years from protruding bleeding piles, unfitting him for business. Dr. Crawford assured him that his only hope was a surgical operation, after which he must lie out three weeks in bed in the hospital. I induced him to try Vita-Ore, which he rather reluctantly did. In three days' time he could go about and began attending to business and in three weeks was completely cured. Ever since he has been as firm a believer in Vita-Ore as I am. We would not be without it.

WILLIAM H. COOKE.

What Vita-Ore Is

Vita-Ore is a mineral remedy, a combination of substances from which many world's noted curative springs derive medicinal power and healing virtue. These properties of the springs come from the natural deposits of mineral in the earth through which water forces its way, only a very small proportion of the medicinal substances in these mineral deposits being taken up by the liquid. Vita-Ore consists of compounds of Iron, Sulphur and Magnesium, elements which are among the chief curative agents in nearly every healing mineral spring, and are necessary for health. One package of this mineral substance, mixed with a quart of water, equals in medicinal strength and curative-healing value, many gallons of powerful mineral water, drunk fresh at the springs.

THOUSANDS OF PEOPLE

In all parts of the United States and Canada have testified to the efficacy of Vita-Ore in relieving and curing such diseases as Rheumatism, Kidney, Bladder and Liver Diseases, Dropsy, Stomach Disorders, Female Ailments, Functional Heart Trouble, Catarrh of any part, Nervous Prostration, Anemia, Sores and Ulcers, and worn out, debilitated conditions.

A Wonderful Restoration

HAMBURG, IOWA.—I feel that I cannot praise V.-O. enough, as it has restored me after having been a helpless and hopeless invalid for three long years. I had Rheumatism and Paralysis, and my Kidneys and Liver had been very much deranged for years. There seemed no limit to my nervousness. I was reduced from 165 to 75 pound, in fact was called a total wreck. I could not feed myself, could not rest and much of the time I could not speak. We tried many physicians and patent medicines and also sanitariums. My last doctor said he had never seen anything to compare with my case and that he had exhausted his medical skill upon me. I have now been using Vita-Ore for six months and can say that I enjoy life and my work. My weight has been increased to 144 pounds. I can do all of my own work and go when and where I please. The doctor now tells me to recommend it.

HELP A FRIEND

If you have a friend or neighbor who is sick or ailing, show him this offer and tell him to write to this Company for a 30-day trial treatment. It is a little thing for you to do, but it may mean big things for him and he may bless you for it.

ELDERLY PEOPLE SHOULD USE IT.

As old age approaches the necessity for such a tonic as Vita-Ore becomes each year more and more manifest and when taken regularly by middle-aged and elderly people it displays its usefulness in various ways. There is nothing so certain in life as the weakness of old age. The young may need a tonic, but the old must use one. Old age, like youth, makes demands upon the blood for nourishment of the body, but loss of appetite and impaired digestion deprive the blood of the nutriment which should be its portion. Sound, unbroken sleep is as much needed in age as in youth, to repair waste tissues, but fortunate indeed is the elderly man and woman who can sleep soundly throughout the entire night. The enlarged volume of waste products, due to the increasing tissue-breakdown of old age, requires additional functional activity in the kidneys to eliminate them from the system, and the kidneys of the aged are apt to be refractory.

Vita-Ore serves as an aid in most every disordered condition incidental to old age. It increases the appetite and desire for food at the same time that it improves the power to digest and assimilate it, so the blood may be enriched by the proper nutriment. By its beneficial action in the system it induces a sounder and more refreshing sleep, and assists the kidneys to perform the requisite action. It helps to prevent the rheumatic condition of the joints usually incidental with age and by its general upbuilding powers to prolong vigor and activity to a ripe old age.

Makes Strong, Healthy Women.

Woman may be called the most perfect piece of mechanism in all God's creation, but from the nature of her organism, she is the most delicate. It is due to the ease with which irregularities may creep in that not half of the women of today are entirely free from some of the many and varied ailments peculiar to their sex. Many object to or are financially unable to "begin doctoring" and so struggle along and suffer in silence, bearing a crushing weight of distress, torture and disease. Vita-Ore is a true "Balm of Gilead" to such sufferers and is markedly successful in promptly alleviating and permanently remedying many diseased conditions which keep women from the full enjoyment of active life. Every woman should use it.

Builds Robust, Vigorous Men.

The proudest glory of man lies in his health and strength. To be entirely successful he must possess strong nerves, a clear brain, and a sound body full of energy, vitality and manly vigor. Without health of body man cannot be at his best mentally. Health builds up that strength and character of mind which goes so far to insure true and complete happiness as well as success. If disease or debility take the place of the health, activity and energy of youth and early manhood, the mental forces become impaired along with the physical. When this time comes, Vita-Ore proves a regenerator which fills the blood with renewed energy, correcting irregularities, curing disease and restoring the force and vitality so necessary to success and happiness.

Feels Like A New Being.

Rev. J. H. Malce, The Blind Evangelist, Tells of His Complete Cure.

Rev. J. H. Malce, Author and Preacher, familiarly known all over central Pennsylvania as "The Blind Evangelist," a term by which he is held in sweet reverence by the thousands who have come under the magic of his eloquent voice and the charm of his gentle personality, knows the powers of Vita-Ore, having been restored by it to health and a life of usefulness and activity.

On the 4th of July, America's natal day, in the year 1833, he saw his wife and children, the fields and the sky, for the last time in the clear shapes in which God had made them, and gradually the light was blotted out until a total darkness hung over his life. That was not all, as a Rheumatic sickness came to add to his trial, and for many days he suffered all the tortures which the human frame is capable of enduring. At last Vita-Ore came to his aid, and drove out the humors which had so long distressed him. Read what he says:

last Vita-Ore came to his aid, and drove out the humors which had so long distressed him. Read what he says:

CARLEISLE, PENN.—For many long years I had been suffering from Sciatic and Muscular Rheumatism; at times I thought that it must kill me. No one can imagine what I endured from this dread disease. I had spent a great deal of money for doctors and all sorts of remedies, but found nothing to cure me. I was also troubled with Piles, a palpating and weak Heart, my Kidneys were disordered, my Liver in bad shape, and altogether I had a goodly share of the trials which fall to the lot of man.

On the 24th day of November, 1903, I began to use Vita-Ore. The results were astonishing. I had not finished the third package before my Piles had entirely disappeared and my Rheumatism, which had so long remained unvanquished, was much improved. I continued using it until I had taken in all eight packages. I can safely say that I am entirely cured of all my diseases, aches and pains, and feel like a new being.

I also know many others who have been cured of many different diseases through the use of Vita-Ore. A prominent minister at this place was suffering from Vertigo and Stomach Trouble and began using it upon my recommendation. One package cured him, soundly and perfectly. I can only say to all, try it and see for yourself that its merit has not been exaggerated. I believe in it, because I know.
