

FINE FURS

All the latest models in Furs and Muffs are here for your inspection. You will find an unusually large stock to select from, at the lowest possible prices. The appearance of your costume or suit will be vastly enhanced if you wear one of the new Fox Sets.

THEY ARE VERY STYLISH TOO

We are now showing exquisite creations in all types of specially selected Fox Pelts.

Fur Coats and Caperines will be worn universally this season by all discriminating well-gowned women.

We also are showing correct reproductions of the most favoured New York and Paris designs in a wide variety of high quality skins.

NOTE: Furs selected and not required until Christmas, will, on the payment of a small deposit, be held until the 23rd of December.
