THIS Company is established upon strictly Mutual principles, insuring farming and isolated property, (not hazardous,) in Townships only, and offers great advantages to insurers, at low rates for five years, without the expense of a renewal. This Company has existed 12 years, during which period it has adjusted all losses in a satisfactory manner. It is managed with strict economy, and affords an opportunity of insuring with safety and reliance, and very little expense, which accounts for its long standing and the successful business which it has been and is now doing.
