Under the guidance of such a to find a case of kidney disease they clever manager as is Billy McCarney, cannot cure. the big "hope" is bound to develop into a boxer who will give Jack John-

son a hard tussle for the title, if he does not defeat him. McCarney is himself a very clever boxer, beside knowing how to guide such a boxer along the path that will eventually land him the highest honors in the boxing game. McCarney is confident that McCarty is able to defeat Jack Johnson right now, and says that if an offer is made for such bout he would accept it.

At present McCarty has only one bout booked, but he has several on hand that his manager expects to complete arrangements for before leaving Boston. April 16 McCarty will meet Jim Flynn of Pueblo in Philadelphia. Flynn is known as the "hope destroyer," having defeated several of the so-called "hopes." Carl Morris, Tommy Burns and

several others, who are anxious to meet McCarty, probably will be accepted as opponents by Manager McCarney. The latter still feels that he did right in not agreeing to let Mc-Carty box Bombardier Wells in New York. McCarney did not fear that Wells would defeat McCarty, but he did not intend to let the New York promoters tell him what McCarty

mingham general hospital is to be seen the Aston Villa F.C. bed, endowed at a cost of \$6250. Like many football clubs which have obtained national importance, the Aston Villa club owes its birth in 1874 to a handful of young men connected with a place of worship. For a number of years the club had to be content with a strictly local program. The first regular ground that they used was the few acres destined to become famous as Berry Bar. Spectators were few and far between in those days, but big things often have small beginnings, and, little by little. players of national reputations were inported, gates began to swell, and under the guidance of an astute management, Aston Villa proceeded to build up, year by year, the world-
