FAREWELL TO FRANKLIN SMOKE

Paris Pays Tribute to Well Known Lawyer—Other News.

(From our own Correspondent.)
PARIS, July 29.—A very large number of prominent Parisians, both ladies and gentlemen, gathered at Paris bowling green last night to pay a tribute to Mr. and Mrs. F. Smoke before they leave for Toronto. Mr. Smoke was presented with a magnificent cabinet of sterling silverware, and Mrs. Smoke a purse of gold. Mr. T. Scott Davidson was chairman, and in his opening remarks, made a very neat speech, telling of the loss the town would sustain in the departure of Mr. and Mrs. Smoke, the high esteem in which they were held by all, and the regret with which we viewed their departure. While the presentation was being made on the bowling green, it was in no way a bowler's affair, but was a general tribute from the people of Paris.

Mr. Smiley then read the following address:

Franklin Smoke Esq., K.C.
Dear Mr. Smoke,—It is with feelings of the deepest regret that your many friends have learned of your intended removal to Toronto.

"During the years that you have lived among us, we have learned to regard you with the greatest respect and esteem, not only because of the high standing that you have taken in your profession and the deep interest that you have always shown in matters pertaining to the welfare of the town, but also because of your sterling integrity and your many excellent personal qualities.

Not only in business and professional circles, but in social, fraternal and athletic circles as well you will be greatly missed.

But while regretting your departure we are pleased to know that on account of your well known legal ability, you have been called to take a very prominent position in one of the leading law firms of the Province, and in your new connection we wish you every success.

We also desire to express our high esteem for Mrs. Smoke, who will also be greatly missed.

We ask your acceptance of these gifts for Mrs. Smoke and yourself, and trust that they will always remind you both of the many warm friends you have in Paris.

Signed on behalf of the subscribers, T. Scott Davidson, Jno. M. Patterson, J. H. Fisher, John Harold A. E. Finemore, James Smiley, J. I. Thompson, John Carnie, O. R. Whiteby, M. Ryan.

Paris, July 28th, 1913.

Mr. John Harold made the presentations.

Mr. Smoke, although deeply moved

made a fitting reply, expressing his deep regret at leaving his many friends he had made during his long sojourn here, and extending his sincere thanks on behalf of Mrs. Smoke and himself for the way in which his fellow townsmen had honored them.

Brief speeches followed by Mayor Patterson, Rev. B. B. Williams, J. H. Fisher, M. P. James Smiley, John Harold and E. P. Watson, after which three cheers were given for the King, and Mr. and Mrs. Smoke, followed by the singing of "He's a Jolly Good Fellow," and "For Auld Lang Syne."

Oak Lodge, Warwick street, the home of Mr. and Mrs. Charles H. Brown, was the scene of a pretty wedding on July 29, when their eldest daughter, Catharine Carlotta, was married to J. W. Roy Maus. The ceremony was conducted by Rev. J. L. Kerruish, assisted by Rev. W. Brandon; the wedding march being played by Miss Alice Smith. The bride, wearing a gown of cream embroidered voile, and carrying a bouquet of bridal roses and lily of the valley, was given away by her father. She was attended by her sister, Miss Annie E. Brown, in pale blue silk and carrying pink carnations. Mr. Chas. M. Brown, of Winnipeg, assisted the groom. The groom's gift to the bride was a gold watch and fob. After the ceremony a dainty dejeuner was served. Mr. and Mrs. Maus left for a trip East.

watering of Banfield, Willow and William streets. After some discussion, a resolution was passed and given to the chairman of streets and sidewalks for the guidance of the inspector. All emergency work must have prompt attention and that street watering must be efficiently carried out. If said cannot be done, inspector to report at once. Further, that the inspector notify all men under him to keep away from hotels during working hours. This latter to include the inspector.

It was also decided that Mr. Torrance take full charge of the new drain being constructed at the junction.

Capablanca Won Chess Tournament

NEW YORK, July 30.—Winning his thirteenth game, Jose R. Capablanca, of Havana, became the victor in the Chess Masters' tournament, through which he played without a defeat, duplicating the record of Lasker in a similar tournament played in this city in 1902. Capablanca completed his games in advance of the other players, so that he might return to Cuba before taking his departure for St. Petersburg, where he is to be Cuban vice-consul.

Capablanca's triumph was over A. Kupchik, the metropolitan master, after sixty moves, in a game adjourned from Thursday. Kupchik had an opportunity to check the Cuban's string of victories by forcing a draw, but lost it through carelessness in the selection of a sealed move. Kupchik holds second place and Black third, in the standing of games won and lost to date.

How Trophy Was Won

LONDON, July 30.—An anonymous letter appearing in the Standard declares that the English competitors in the Davis Cup tennis matches were the better all round players, but that the Americans won the trophy because McLoughlin had mastered and concentrated his play on a smashing service, in which any number of English players could have equally perfected themselves.

"Thus the cup was won," the letter continues, "by a trick, though a perfectly legitimate, trick within the rules, which does not further the best interests of lawn tennis, and unless this smash service is barred, like the spot stroke in billiards, tennis is within measurable distance of death."

SAYS "WOMAN IS NOT FIT TO VOTE, THE CLOTHES SHE WEARS SHOW IT"

Wife of Vice-President Strongly Opposed Municipal Suffrage Recently Granted to the Woman of Illinois.

CHICAGO, July 30.—Mrs. Thomas R. Marshall, wife of the vice-president of the United States, who is in Chicago with her husband, strongly opposes municipal suffrage recently granted to the women of Illinois, and is even more antagonistic to the prevailing fashions in women's dress.

"To me the fashions of the to-day ought to convince anyone that a woman is not fit to vote," she said. "Some women's dress is not only extreme; it is objectionable. Women would do more good by correcting the dances in our cafes and cabaret than in running for office."

"If I were in a suffragist state, I would certainly cast my vote because I would consider that my duty. But I have always announced that I was not for suffrage. I do not say that woman should be tied down to the home, but I think there are many things they might do without actually breaking into politics."

"Mr. Marshall is more of a suffragist than I am"

Asked if she thought the Illinois victory means that women have become permanently a part of the national government and will have suffrage on the Eastern states, Mrs. Marshall replied:

"Certainly not. The women in the East are not strongly in favor of the ballot, and none of the cabinet women seem to favor it with the exception perhaps, of the president's daughter, Miss Jessie Wilson."

ROPES OF BRIT SOAKED WITH

If Not Discovered, Would Have Fallen Feet.

WHITBY, July 31.—Chances are that an injury to the ropes used by the Hamilton Co. in the construction of the C.P.R., near St. Catharines, "Reddy" Gamble, was arrested by Police Magistrate Har day and was remanded until next to come before Magistrate son of P. being Township jurisdiction it is alleged to be committed.

Neither Hartley Dewar Gamble announced as his J. L. Patterson, his bond demanded. Gamble demanded to be set, but it will be awarded condition that a higher court willing to grant it.

"The offence is more than appears on the information, Farewell, crown attorney County. It is a charge—unusual in that I want to take the responsibility the amount. It is a charge, weakening ropes so that men are in danger."

"I can get bail to any amount \$100,000," said Gamble, guilty and I want bail."

The scene of the incident sulted in Gamble's arrest at Dixie Creek. The C.P.R. completed a 600-foot bridge since May, during the structural ironworkers, parties have been watching the work. On May 20 a car collapsed when being trol the day's work, but the accident could be four.

On June 16 the ropes found saturated with salt and since that time the police have been working. The height from which it would have fallen if the troling the gigantic op not been tested is over 600 feet.
