

### London Outscores Saints, Erie Beats The Athletics

#### Ottawa Takes Peterboro Into Camp by Score of 4-1.

ST. THOMAS, July 22.—London again took the measure of the Saints here yesterday by the score of 9 to 6 in a game of ball which was filled with more than an ordinary array of base hits, but the team which piled up the greater number of bingles did not garner the same proportion of runs as the victors. On the form displayed by both teams the visitors looked the more consistent, as they made most of every opportunity.

#### Five Pitchers Work

The introduction of relief pitchers during the game tamed down the batsmen to some extent, but the damage had been done. Steiger and Wilkinson started for London and St. Thomas, respectively, and while the former was removed before the eighth, he was in good form, as he kept 13 hits well scattered, though he was found for five hits in the sixth, several of which were of the scratch order. Wilkinson went well up to the fourth when five hits in a row and a base on balls resulted in four runs for the Tecumseh.

Hamond relieved Seiger in the 8th and his first effort was a walk to Kopp, and coupled with an error and a base hit, scored. Hughey went in to replace Wilkinson with one out in the seventh. Reilly pitched the last two innings without being scored upon.

#### Bombardment of Hits

In the fourth London started the bombardment when Lamy singled with one out. Snyder doubled, scoring the first two. Reising cleaned up the bases on a fine drive to the outfield in the fifth. Linnborn opened with

a single. Duna walked and both advanced on Bierbauer's bunt. Lamy's long fly scored Linnborn, and Duna raced home when Inker threw high to Wilkinson. In the seventh Linnborn secured his third hit of the game and scored from second on a bunt and Bierbauer's triple. Lamey hit and Bierbauer scored. Here Hughey replaced Wilkinson. Reidy forced Lamy at second, but later scored after stealing second on Mullin's hit. Wilkinson scored the first run for the locals in the third with two out, when Linnborn muffed up Craven's grounder. In the fifth McNeilis was safe on a hard hit ball to Mullin. Kustus sent up a high fly which fell between Reidy and Reising and both scored on Gillespie's triple. Inker singled and Gillespie scored. Inker tallied when Craven singled past Reising. The score: London, 9, St. Thomas 6.

#### No Luck in Changes

HAMILTON, July 22.—Dolan weakened in the fourth inning of yesterday's game and allowed a walk, hit a batter, made a wild pitch, allowed a single, a triple and a home run, which netted Erie six runs and gave them the second game of the series against the Athletics by a score of 9 to 7. Three more were counted in the fifth session on a double, two singles and three errors. McGroarty and Cunningham were away off form and had five errors chalked up against them. Hamilton took the lead in the first session by counting two tallies, got two more in the fourth and threatened to make things interesting in the ninth by garnering three more, but were unable to overcome the lead gained by Erie.

#### The New Men

Several changes were made in the line-up of White's team which will strengthen the team considerably. Barrett, right fielder and Dudley first baseman were traded to Rube Deneau of Brantford for Ivers, first sacker. The latter played yesterday. Pendry, the new third baseman, played third. Cunningham got back into the game at second and Gilhooly will be played at right in the future. The score: Erie 9, Hamilton 7.

#### Kubat Beats Pates

PETERBORO, July 22.—Kubat and Tracey indulged in a pitching duel yesterday. The Senators finally winning by 4 to 1. The visitors got the lesser number of hits, but by fast work they made the bingles count for runs in the seventh and ninth. Shaughnessy's foot was gashed on his slide to the plate for the initial counter. The score: Ottawa 4, Peterboro 1.

**SAGE AND SULPHUR DARKENS GRAY HAIR**  
Brush This Through Faded, Lifeless Locks and They Become Dark, Glossy, Youthful.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe. Nowadays we get this famous mixture by asking at any drug store for a 50 cent bottle of "Weyth's Sage and Sulphur Hair Remedy," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. Besides, it takes off dandruff, stops scalp itching and falling hair. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Weyth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance. ### What Hamilton Thinks Of The Trade For Ivers

#### Both Papers Say Brantford Has Got Hold of Two Fair Fielders and Weak Hitters in Exchange for Big First Baseman.

(The Spectator) Gabby Ivers, the Brantford first baseman, will join the Hamilton ball team to-day, and will hold down the initial sack for the Hams. This is the result of a trade which Manager Jack White pulled off last evening with Manager Deneau of the Brants, by which Hamilton gets Ivers in exchange for Roy Dudley and Barrett. Dudley and Barrett will join the Brantford team to-day and will play against Toronto this afternoon.

White made this trade believing that he is strengthening his club. He points out that Dudley has not been hitting, in fact, at the present time is not touching the 200 mark, while Barrett is only a fair hitter and a poor fielder. In exchange for these two players the local club gets an experienced player, who is a natural hitter and who is hitting over the 300 mark at the present time. Ivers is not the smoothest fielding first baseman in captivity, but he can cover a satch, and, what is more, can hit. This ability to pole out the needed bingles is going to make him a valuable man to the local club, and there is no doubt but that White has made an exceedingly good trade.

In letting Dudley go Manager White released a player who has been popular with the fans, and one who has given the local club his best. Dudley came here with a reputation as a hitter, but has failed to live up to it. Barrett was slated for exchange of release this week, as with Cunningham in the game again and Infielder Pendry on the job, White intended to place Jimmy Gilhooly in right field.

#### (The Herald)

Roy Dudley and Jimmy Barrett for Gabby Ivers. Such was the nature of a trade worked over last night by Manager White with Rube Deneau, pilot of the seventh place Brantford squad. As is always the case when trades are made each side claims a victory, but

this time it really looks as if Hamilton got the better of the deal. Ivers is a 300 hitter and well within the charmed circle, while neither Barrett nor Dudley have been hitting anywhere near the mark. Talking of the trade to-day, Manager White said: "Ivers will be here to-day and will take part in this afternoon's game. Likewise Dudley and Barrett will play for the Brants to-day. I swung the deal with Deneau last night and he surprised me by his eagerness to make the trade. Apparently he thought he had the better of it, but I don't think so."

Ivers has been mainly responsible for a number of the Brantford victories by his heavy and timely hitting and was in reality the only hitter on the Dykeville payroll. In Deneau's estimation he was not the best first baseman in captivity, but the Rube apparently lost sight of his ability as a clouter. He is quite welcome in Hamilton. Ivers has never shown himself to be a flashy player, neither spasmodic nor sensational. He is like the majority of Canadian league first basemen—steady, and, just like the others gets all of the throws that are within reasonable distance. As Jack says, "They all miss 'em when they're not pretty 'n good 'n throws," Ivers' failure to pull any of this sensational stuff has caused the Brantford critics and manager to be deceived for he is playing the game, nevertheless, and his hitting alone makes up for any little deficiency he may have as a fielder. Once again we think we have the bulge on the deal.

In the opinion of the Herald, Roy Dudley is a mighty good ball player, but for some reason could not get going. His hitting has been very weak and certainly not what he is capable of. He has all the earmarks of a valuable man, but, as he himself admitted recently, he could not get going right. Jimmy Barrett has been off in his fielding and hitting.

### MAYOR OF DELHI SEES DREAMY SUE

He Says He Was Flim-Flammed and Caused Arrest of Fair Man.

His Wife Asks Embarrassing Questions—Brown Was Knocked Down.

NEW YORK, July 22.—The New York Telegraph's Delhi Texas, despatch this week follows: A good deal of excitement was created here yesterday when Hawthorne De Bell an amuseur promoter, was called before Judge Ginney to answer to the charge of defrauding the public at the street fair. Mayor Cyrus Perkins Walker was the complainant. The court room was crowded with both men and women. The concession operated by De Bell at the carnival was one he called "Dreamy Susie." The charge was made that he misrepresented it. Judge Ginney asked Mayor Walker to tell his side of the story. "Your honor," said the mayor "I was strolling along through the street fair yesterday when I heard this man ballyhooning. Constable Brown was with me. We stopped and listened to his flow of language. He said to come in—that for ten cents we would see Dreamy Susie and it would be an extremely unusual sight. The facker lowered his voice and said we'd never get a chance to see such a sight again. We each paid a dime and entered the tent. There we saw a big negress peeling potatoes and announcing that she was Dreamy Susie. An employee of this defendant whispered to us that if we'd pay twenty cents more and go through a certain door we'd see Dreamy Susie the second. Naturally we did. We found ourselves out in the street again."

Olaf Spingle, counsel for De Bell, and an anti-Walker Democrat, asked: "What did you expect to see in the tent, mayor?" At this point a woman arose in the rear of the room. It was plain to be seen she was furious. She was Mrs. Walker. "Yes," Cyrus, what did you expect to see?" she demanded. The mayor said he'd go to his office and put his complaint in writing. He said he scented a political trick to be charged De Bell. Later Constable Brown acting on orders from the mayor, tried to arrest Dreamy Susie, herself. He finally got her to jail by promising her a new hat. The whole town is talking. There is much indignation. Mr. James Schofield, one of the Senators for Natal, was formerly a weaver at Ramsbottom, near Bury.

CHICAGO FAVORS THE CANADIAN TENNIS MEN CHICAGO, July 22.—Chicago tennis followers have failed so far to be greatly impressed by the work of the Australian stars, who meet the Canadians in the Davis cup preliminaries at the Onwentsia Club this week. Eastern bettors who have rated the Antipodeans as favorites at 1 to 3 or 4 for the cup are thought by local critics to have overestimated their strength. It is thought there is little chance of Australians taking the cup from America.

However, it is not considered that Canada has much better than at outside chance of defeating Australia in the preliminaries. Even the Canadians themselves seem to entertain little hope of beating their rivals, but they have continued to practice steadily with the idea of making as good a showing as possible and being prepared for the best should opportunity come.
