"The Store That Gives the Most Change Back."

E. B. Crompton & Co.

--- and still the business grows

On merit alone this business has reached its present commanding position. A discriminating public has come to take its word at par. Without bombast or extravagant claims to bolster its position, it ranks as one of the foremost merchandising centres in Western Ontario-five great floors, covering almost an acre and a quarter in area, housing thirty separate departments—each a store in itself—minister to the needs of its customers.

Its merchandise is new, bright and fresh-and marked at that close advance which is only made possible by a quick turnover and big sales.

Its many conveniences are an advantage to the public—and but emphasizes the need of a store that had the courage and the progressive spirit behind it to give Brantford a shopping centre that it was wor-

Heart to Heart Talk

What you see in our windows reflects what you will find in the store. Neither wilfully or by accident do we intend that our window displays shall create the wrong impression or act as a false stimulant to whet the appetite and then disappoint the intending purchaser after the feast is spread.

We mean that our windows shall always be a true index of values, not only in prices but in the character of the merchandise displayed. And there shall always be plenty of it inside the store—we promise you that.
