Minard's Liniment Cures Dandruff.

The Horrid Cruelty of Huns in Belgium

Chatham, Ont., April 7.—A harrowing tale of brutality and oppression was unfolded today by Mrs. Victor Venlaven, Belgian refugee who, with two small children, joined her husband here today. The woman arrived by way of Detroit, and through an interpreter, told of the treatment by German soldiers of women and children and old men in her home city, Termonde. After the Germans occupied the city, families were taken into fields and shot down like rabbits. German soldiers marching through the streets drove the bayonet through children and carried them along impaled on the blade. Parents were locked in their houses, and at command of the German officers their children fired the houses. If they refused they were shot down. Had it not been for the relief given by Canada and the United States, millions would have starved. All provisions are exorbitant in price. Meat is fifty cents; flour fifty cents a pound; rice, seventy-two cents; coal oil, fifty cents a quart; butter, seventy cents a pound; bread, twenty-five cents a half pound.

SPRING REMINDERS OF RHEUMATISM

Raw, Damp Weather Starts the Pains, But the Trouble Lies in the Blood.

Spring weather is bad for rheumatic sufferers. The changes from mild to cold, the raw, damp winds start the aches and twinges, or in the more extreme cases, the tortures of the trouble going. But it must be borne in mind that it is not the weather that causes rheumatism. The trouble is rooted in the blood—the changeable weather merely starts the pains. The only way to reach the trouble and to cure it is through the blood. The poisonous rheumatic acids must be driven out. Liniments and rubbing may give temporary relief, but cannot possibly cure the trouble. The sufferer is only wasting time and money with this kind of treatment and all the time the trouble is becoming more deeply rooted—harder to cure. There is just one speedy cure for rheumatism—Dr. Williams' Pink Pills. They act directly on the impure, acid-tainted blood. They purify and strengthen it and thus root out the cause of the rheumatism. Here is a strong proof of the above statements. Mr. Michael Parsonage, Fenlon, Man., says: "My mother suffered several years with rheumatism. We tried a number of remedies but they all failed to cure. Then we got Dr. Williams' Pink Pills, and after using them for some time she was completely cured and has had no sign of the trouble since."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

HER DREAMS CAME TRUE

Life Unbearable from Indigestion Health Restored by "Fruit-a-tives"

MELLE, C. GAUDREAU
Rochon P.Q., Jan. 14th, 1915.

"I suffered for many years with terrible Indigestion and Constipation. I became thin and miserable. I had frequent dizzy spells and became so run down that I never thought I would get well again.

A neighbor advised me to try 'Fruit-a-tives'. I did so and to the surprise of my doctor, I began to improve and he advised me to go on with 'Fruit-a-tives'. I continued this medicine and all my Indigestion and Constipation was relieved. I consider that I owe my life to 'Fruit-a-tives' and I want to say to those who suffer from Indigestion, Constipation or Headaches, try 'Fruit-a-tives'. Give this lovely fruit medicine a fair chance and you will get well the same as I did."

APPRECIATED

From Acadian.

The following appreciative letter was received by Mrs. Howard Barss from Pte. Leonard Eaton. His many Wolfville friends will be much interested in it:

France, March 12, 1916.

My Dear Mrs. Barss:—If you were able to see fifty or more boys sitting out in the sun this afternoon, after a long weary route march this morning, with the carpet slippers on that you sent me to distribute you could then understand how much they were appreciated and how grateful we are to you and the young ladies of Wolfville.

Although they were several months on the way, they could not have arrived at a more opportune time.

Of course you know that the 6th C. M. R.'s have been broken up I can tell you we all felt very badly at first. But we soon decided to play the game in our new formation.

We have had very few casualties. Everybody is well and happy.

I must also thank you for the reading material. About five minutes after they arrived all were reading away for dear life.

Thanking you and the young ladies of Wolfville again very, very, much. (All the boys join in this) I am.

Yours sincerely,
Leonard Eaton.

With kindest regards to all the Wolfville people.
