Sad Bereavement.

On Tuesday, the 25th inst., Mr. C. G. Algire met with a sad bereavement, and the village suffered the loss of an estimable and popular lady through the death in her accomplishment of Miss Elizabeth Algire, who in the prime of life, was suddenly taken from our midst. The deceased was a daughter of the late A. B. McCoy, of Napanee, and she was united to Mr. Algire on the 18th of April, 1856. She was aged 33 years and eight months. Her untimely end has cast a deep gloom over a large circle of relatives and friends. We extend our sympathy to the bereaved husband and family.

Dangerously Ill.

The Rev. Geo. Rogers has been in Montreal during the past week, attending the sick bed of his son, John H., who is almost on the point of death. John H. Rogers is a popular young lawyer of 27 years. In his boyhood he suffered a severe attack of fever, which left him with a fever sore in the leg, from which he has not suffered much inconvenience. About the 5th inst. this sore suddenly became virulent, and although skillful surgeons have performed three operations, the condition of the young man is very critical. During the last twenty-four hours there has been no change for better or worse in the patient's symptoms.

*Kmas Eve in Delta.

We have received no detailed report of the entertainment at Delta on Christmas night. Considering the very unfavorable weather, the attendance was good. An enjoyable entertainment was given. Some valuable gifts were presented, including a handsome dressing case to Mr. R. M. Percival by the ladies of the Methodist Church, and a beautiful album to the same by the members of the Baptist Church, in recognition of his services.

*Kmas Tree Entertainment.

The Christmas tree entertainment in connection with the Church of England Sunday School came off in the town hall last Thursday evening. The Rev. R. N. Jones, incumbent, presided. The singing, recitations, and tableaux, by the school, were well given, and deserve extended notice, which we regret our space will not admit. The tableau entitled "The Three Graces," by Misses Motes, Richards and Dobbis, was very fine. The recitation by Johnnie Johnston was especially worthy of mention. "Admiral L. G. Horn," personated by Mr. C. C. Slack, read an amusing burlesque upon local occurrences, which brought down the house. His get up was faultless, and his hit at Deputy Reeve, Halliday's innuendo, and ex-acting with pro-reckling, the Hubbard's Corner's Councilor, Reeve Saunders and the Re- perrier were also the subjects of very good jokes. Mrs. Dr. Conell gave a solo with her usual ability; a duet by Miss Boyd and Mrs. Oaten were plea-

singly rendered and well received; and the selections from the "Miklo" by Jas. Ross were well given. The Farmersville orchestra rendered several selections in happy style. The Christmas tree was laden with handsome presents for scholars and teachers, and was the source of much gratification and enjoyment. Among the presents was a handsome cutter robe for the rector, the receipt of which he acknowledged in suitable terms. The entertainment was a gratifying success and the audience filled the hall to the muzzle.

MUNICIPAL NOMINATIONS.

The nominations for Reeve, Deputy Reeve and Councilors for Rear of Young and Escoe, took place on Monday last. There was a fair attendance of Electors. Clerk Blackburn discharged the duties of receiving the nominations and everything passed off pleasantly. A large number of nominations were made, the majority of which were for sport, and not that the nominator had any particular fault to find with the old Council.

The following were nominated. Those marked with an asterisk resigned before the meeting closed.

ANNIVERSARY.

The anniversary entertainment of this school, on Christmas night, was a great success. The church was crowded, and the proceeds of the admission tickets amounted to over \$50. In his opening address Mr. D. Fisher, the popular and efficient superintendent, announced that the school had enjoyed phenomenal success during the year. The teaching staff was very efficient, and entered most heartily into the work of the school. There was however ample room for more active workers. The attendance during the year totaled 2,000. The total expenditure of the school for the year had been \$114.75, and the total receipts, including balance from previous year, \$151.40. Of this sum \$48 was received from collections taken up in the school. An interesting feature of the programme was the cantata entitled "Light of Judah," which was performed in a most creditable manner, and to the leader, Mr. D. Fisher, Miss Judson sang the soprano solo, the baritone; and Mr. Power the bass. All the solos were well taken. Several interesting choruses by the infant class were among the best numbers in the programme. The recitation in character by Miss M. Stone was deservedly applauded. Numerous

recitations and dialogues, were given in excellent style by the scholars, and we regret much that our space is too limited to allow of mentioning each individual number. The entertainment was one of the best given in Farmersville.

A CLEVER CAPTURE.

Our readers will doubtless remember our account of the daring burglary of the store of Moulton & McKay, of Delta, a few weeks ago. No trace of the burglars was found for some time, although suspicion pointed to a couple of railway navvies who boarded in the village, and who left about the time of the burglary.

Acting upon this suspicion Constables Robinson and Soper started out on the trail of the supposed thieves. Perth, Smith's Falls, and all the small villages along the new Air-line Railway, were visited, but nothing was learned of their whereabouts until they reached Kemptville, where a cap which one of the parties had sold was found. Following up the clue obtained the detectives finally located their men at South Finch, on the new railway works. After a sharp tussle the men were secured and gave their names as Pat. Mauleen and Jas. Smith. They were brought to Squire Sedwick of Kemptville. A quantity of clothing and several caps were found in their possession. The prisoners were at once conveyed to Brockville jail, and the stolen property was placed in charge of the proper officials. An inspection of the articles found was made by one of the firm, who fully identified them, especially a fur cap, which had been ordered for a customer and had their private mark upon it. Constables Soper and Robinson are deserving of great credit for the plucky manner in which they followed up the trail and secured the burglars and a good share of the stolen goods.
