Read the following testimonial from a man you all know:

Bedford, Ont., Aug. 26th, 1908
Crosby, Ont.
Dear Sir— I think it my duty to tell of the great good St. Regis Lumbago Cure has done for me. I was troubled with Lumbago for about six years, sometimes could scarcely raise up from a chair. I tried several doctors and took nearly every kind of patent medicine and would be a little better while the medicine lasted, but when it was done I was not fit to work. About the first of June I was advised to try St. Regis Lumbago Cure, and am happy to say I had not taken half a bottle till the backache was all gone and I have not felt any return of the ailment since that time. I take great pleasure in recommending it to others who may be troubled with Lumbago or Kidney troubles, for I have found it to be all it is recommended for, and a trial will be better for anyone than a recommendation.

Yours very sincerely,
JAMES McNEILL,
Clerk of Bedford Township.

LIBERAL CONVENTION

The political meeting held in Athens on Wednesday evening last was a great event—the greatest political gathering ever held in this village. The announcement that Hon Geo. P. Graham and Hon. W. S. Fielding would speak in Athens caused widespread interest and electors were present from distant parts of the riding, as well as from Athens and Rear Yonge and Escott.

The people came early, and long before the arrival of the Brockville train the hall was well filled. Many arriving late were unable to gain admittance.

The 41st Batt. Band and over 200 people came by special train from Brockville, and on arriving a torch light procession was formed and headed by the band they marched to the hall. It was an inspiring sight, and no wonder der the people cheered.

Mr. I. C. Alguire presided and with him on the platform were a large number of prominent members of the Liberal party. After a few preliminary remarks, he introduced Senator Derbyshire, who delivered a brief address that was very well received.

Hon W. S. Fielding was the next speaker and he was given a most hearty reception. He was presented with an address read by Mr W. G. Parish, in behalf of the liberals of Athens and Rear Yonge and Escott, and received a bouquet of red roses from Miss Jessie Percival, daughter of Mr W. B. Percival. On rewarding the little maid in the customary way and stepping forward to speak, he was cheered to the echo. He dealt at length with the finances of the country, showing that while the expenditure had been large the results achieved had been commensurate, and personally and by his presentation of the Liberal administrative record he made a most favorable impression.

Then the Hon. Geo. P. Graham was introduced and he was received with rounds of cheers. Mr S. S. Holmes of Elvida read to him an address from the Liberals of the district and Miss Gwen Witte daughter of Mr and Mrs Irwin Witte, presented him with a bouquet white roses. As he saluted the little maid, the band played "He's a jolly good fellow" and the audience heartily applauded. Mr Graham was in good form and delivered a capital address covering many of the issues raised by the Conservatives and presenting the work of several departments of the government in a clear, fair manner that tended to convince all of the honesty and efficiency of the Liberal government and frequently evoked hearty applause.

The addresses were educative, intensely interesting, moderate in tone—a pattern that all political campaigners might well follow.

The meeting closed with customary cheers.

Farm for Sale

The Taplin farm, adjoining the village of Athens, consisting of about 85 acres. Farm and residence will be sold separately if desired. Apply to T. R. BEALE, Solicitor for Executors.

Let us show you how easy it is to shake the "Hecla" Furnace

The "Hecla" has four grate bars. Each one can be shaken separately. This means that you can shake down just the part of the fire where the ashes are, without disturbing the rest of the coals.

With "Hecla" Triangular Grate Bars, you can get rid of all the ashes—save coal—keep the fire bright and clean—and do away with sifting ashes, because no fresh coal or half-burnt clinkers come down in the ashpan.

We would be pleased to talk over the furnace question with you and show you, part by part, just why the "Hecla" Furnace is the best for you to buy. Come in any time.

Made by the makers of "Peerless Peninsular" Ranges.
