

The Law

as amended Nov. 10, 1919

THIS Referendum on April 18 is to ratify a new federal law, namely, the Canada Temperance Act, as recently amended by Dominion Parliament.

If a majority of the people of Ontario vote in favor of the Canada Temperance Act as amended, then, in the exact words of the law, it follows:

1. "No person shall import, send, take or transport into such province any intoxicating liquor.
2. "No person shall, either directly or indirectly, manufacture or sell, or contract or agree to manufacture or sell, any intoxicating liquor to be unlawfully imported, sent, taken or transported into such province.
3. "The carriage or importation of intoxicating liquor through such province shall only be by means of a common carrier by water or by railway and not otherwise, and during the time any intoxicating liquor is being so transported or carried no person shall open or break or allow to be opened or broken, any package or vessel containing such intoxicating liquor, or drink, or use or allow to be drunk or used any intoxicating liquor therefrom."

NOTE.—This law does not prohibit importation of liquors to be used for sacramental, medicinal, manufacturing or commercial purposes, or the importation of such liquors as are permitted to be sold by the laws of the Province.

"Shall the importation and the bringing of intoxicating liquors into the Province be forbidden?"

Children Cry for Fletcher's

CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep.
