His remains were conveyed to his home. The funeral took place to-day and was largely attended. Mr. McLauchlan was an unsuccessful candidate for Councillor for Weldford in October last.—*Times.*

FAILING.

—o—

That is what a great many people are doing. They don't know just what is the matter, but they have a combination of pains and aches, and each month they grow worse.

The only sure remedy yet found is Davis' Quinine Iron and Wine, and this by rapid and thorough assimilation with the blood, purifies and enriches it, and rich, strong blood flowing to every part of the system repairs the wasted tissues, drives out disease and gives health and strength.

This is why Davis' Quinine Iron and Wine will cure Dyspepsia, Indigestion, Liver Complaint, Malaria, Intermittent Fevers, General Debility, etc.

BURTON, SUN. CO., July 17, 1883.

GEO. H. DAVIS:

Dear Sir,—I was a great sufferer from Dyspepsia, and for several weeks could eat nothing, and was growing weaker every day. I tried Davis' Quinine Iron and Wine, and am happy to say I now have a good appetite and am getting stronger.

Yours,

JOSEPH MCCAWLEY.

UPPER CAVERHILL, YORK CO., N.B., July 25, 1882.

GEO. H. DAVIS, ESQ:

Dear Sir,—In answer to your letter of nquiry relative to the benefit derived from Davis' Quinine, Iron and Wine, allow me to say that I consider it a wonder, and the best Tonic I have ever used, having tried several others without being benefited any. I was induced to try your Quinine, Iron and Wine, and am now a new man, having gained by its use my former strength and activity, and as for my appetite, it never was better.

Very truly yours,

ELIJAH NAVINS.

Davis' Quinine Iron and Wine is not a drink, and does not contain whiskey. It is a simple preparation of Iron and Quinine that causes no injurious effects. Get the Genuine. Ask for Davis' and take no other.
