

WENTWORTH'S NEW MINISTER.

Rev. Mr. Quarrington Began His Duties Yesterday.

Rev. F. E. Howitt on Signs of the Times.

Former Hamilton Man at MacNab Presbyterian.

Rev. Walter Quarrington, the new pastor of Wentworth Street Baptist Church, entered upon his duties yesterday by preaching two thoughtful and inspiring sermons. In the morning, Mr. Quarrington selected his text from the 4th chapter of Colossians, 10th and 11th verses: "Aristarchus, my fellow-prisoner, saluteth you, and Marcus' sister's son to Barnabas (touching whom ye received commandments: if he come unto you, receive him); and Jesus, which is called Justus, who are of the circumcision. These only are my fellow-workers unto the kingdom of God, which have been a comfort unto me." These three men, Mr. Quarrington said, were Paul's intimate companions while in prison, and in writing a letter to the Colossians Paul mentions his three friends. He did not say much about them, but what he did say was meaningful. As these men had obtained the privilege from their own government to become prisoners (to be released when they wished to), and share the same burdens as Paul, and receive the same punishment as he did, they were able to link themselves to him, and by doing so, comfort him and he them. Jesus was called Justus, the greatest test to be applied to a Christian as to the genuineness of their religion, Mr. Quarrington said, is, are they pleasing to live with and do they prove a comfort to the world? The greatest test of life is, are they a comfort in the community? Apart from the home, the Christian should turn their attention to the church and in church life there should be perfect harmony, all serving together, if beneficial results are to be obtained.

Christians should be united in church life to do their duty, and prove a source of comfort to the pastor and to the church, and Mr. Quarrington said he was confident he would find that the members of Wentworth Street Baptist Church would unite heart and hand in their efforts to support their pastor in his work in the furtherance of God's word.

In the evening Mr. Quarrington selected his text from Nehemiah 12:17. "The Jews of the land of Judah, who were engaged in all forms of worldliness—money-making and business. They had given up the Lord's day to all sorts of worldliness. Nehemiah reproved them for this in the words of the text. The same question may be asked of us in Canada. We see a great deal that might make us wonder. He was pained to see in the papers of a number of men and boys who were found last Sunday playing craps. Often we see things in Monday's papers that make us blush and ask if Canada is really what it claims to be—a Christian country. When we know of the thousands who think more of pleasure on Sunday than of pleasing God, it is time for us to think. When we see factory wheels turning seven days a week, not for clean and useful purposes, but for mere money making and greed, it is time to think. When we see the alleyways strewn with empty whiskey bottles on Sunday mornings, it is time to think. When we see the newspapers speak of the bottle brigade being out on Saturday night and Sunday morning, it is time to ask why the people are breaking the Lord's day. Mr. Wilson then spoke of the institution of the Sabbath as a blessing to mankind, and referred to the good work of the Lord's Day Alliance.

Rev. Inkster Here.

Rev. John Inkster, of London, and an old Hamilton boy occupied the pulpit in MacNab Street Presbyterian Church at both services yesterday. Large congregations turned out to honor him, and his sermons were listened to with interest. He is a clear and forceful speaker that appeals to one. In the evening he spoke of the necessity of having faith if one expects to be successful. It is necessary that old associations, if they are not just what they might be, should be broken away from, and God's commands must be obeyed, at the peril of one's life.

St. John Anniversary.

The anniversary of St. John Presbyterian Church was celebrated yesterday. The morning Rev. Dr. Milligan, of Toronto, preached an excellent sermon on Prayer. The church was filled to its utmost capacity and special music was provided for the occasion. Dr. Milligan's subject was based on the verse "Ask and ye shall receive." The spirit of prayer and the fruits of prayer were taken up by him one by one. He explained just exactly what prayer was and how it should be delivered to the Lord. It was something, he said, that was unending. As long as the earth lasted, so long should prayer last. It goes on without alteration, and has, since the days when Christ walked the earth, healing the sick, the halt and the blind by prayer. He spoke of the work of the apostles as the result of prayer, simple and earnest. Many there are who do not believe, in prayer, he said, and many of them are godly and well living persons, but the Church of the Lord has chosen the right path and to it prayer is everlasting and so should it be. The choir and the quartette gave excellent music.

Close of Feast of Blossoms.

DRAWINGS TOOK PLACE ON SATURDAY EVENING.

The event a financial as well as an artistic success, and the Ladies are well satisfied.

The Feast of Blossoms came to a very successful close on Saturday evening. It can be safely said that no entertainment of its kind has ever been put on in the city that has attracted more attention from the artistic public. The arrangement of the decorations was a dainty bit of artistic work that was commended by all who took advantage of the opportunity of seeing the exhibition. The daughters of the Empire are congratulating themselves on the splendid manner the public responded to the efforts put forth by them, and the financial results are sure to be satisfactory.

After the regular show was over on Saturday night, the drawings on the different articles took place. In the Muscum contest, Mrs. Gordon Hutton was a delighted winner. She received 180 votes; Miss Helen Lowe was second with 164 votes; Miss Violet Crerar 145 votes; Miss C. Walker 70; Miss Grace Pattison 43; Miss Jean Mills 41.

Mr. W. A. Robinson was the proud winner of the beautiful painting, entitled "The Rose." Mrs. S. F. Washington won the handsome embroidered centrepiece.

The following numbers were the winners: Tea set, 60; Japanese doll, 17; silk kimono, 20; opera glasses, 78; brass candlesticks, 32; large screen, 89; carved table, 21; dressing sacque, 78; gentleman's umbrella, 42; lady's umbrella, 17; candlesticks, 21; fountain pen, 128; red lamp shade, 386; green lamp shade, 203; kodak, 203; stein, 83.

Capt. Domville was the winner of a handsome carved tray. Mr. P. D. Crerar guessed the nearest number of candies in a large glass bottle; Travers Lucias guessed the nearest number in the bottle of olives.

The prizes were drawn for by six of the artists in the hall at the time, and Capt. Moore presented them.

The Regent, Mrs. P. D. Crerar, desires to thank all who participated in the Feast.

An impromptu dance was held for an hour at the conclusion of the evening, for those who participated. A very enjoyable time was spent. The London Harpers provided the music.

Holders of winning tickets for the St. Elizabeth Chapter drawing can obtain their prizes at the home of Mrs. W. R. Davis, the Regent, Sanford avenue.

The following is a corrected list of names of ladies who assisted at the Flower booth: Mrs. J. V. Bell, convenor; Mesdames Griffin, Rennie, Sey, Pain, Gardner, Turnbull, Dumbrell, Stewart, Taylor, Carscadden, Black, Robertson, Webber, Grafton, Millen, Misses Black, Millen, G. Millen, Gardner, Bertram, Kilgour, Brown, Thomson, Margaret Fearman, Kathleen Powis, Eva Powis, Mary Zealand, Mary Domville, Margaret Lester.

St. Andrew's Church.

In the above church yesterday morning Rev. J. A. Wilson, B.A., preached an interesting sermon on Sunday observance. He chose for his text Nehemiah xiii. 17: "What evil thing is this that you do, and

profane the Sabbath day?" The question contained in the text was called forth from Nehemiah by the fact that the Jews on their return to Jerusalem had neglected their religion, and were engaged in all forms of worldliness—money-making and business. They had given up the Lord's day to all sorts of worldliness. Nehemiah reproved them for this in the words of the text. The same question may be asked of us in Canada. ST. GEORGE'S AT CATHEDRAL.

Annual Sermon Preached by Rev. Canon Cody.

Representatives of Other Benevolent Societies Present.

People of Canada Have Magnificent Opportunity.

The annual sermon to the sons of St. George was preached last evening by Rev. Canon Cody, of St. Paul's Church, Toronto, to a congregation that filled the whole church, many being compelled to stand.

Canon Cody preached a thoughtful and impressive sermon. What God will make of us, what He is to us, so shall we be, said Canon Cody. God is the Rock of Ages, the name that is applied to God has great implied thoughts. God is, was and will be the same always while we are for the time being only what we are now. The aspect of God's character which most appeals to us is his strength; His power is immortal, eternal and everlasting. He instills strength into his followers and those who believe in him as the strong man instills strength into the sick and the weak by merely associating himself with them. The greatest thing to be feared in this present time is the unequal social conditions. We have seen our best laid schemes and our fortunes fall as nought through the blunders of some one insignificant person, but it is and always has been so—the prophets of Israel say the same thing. The superficial is all that has changed in the world's make-up and that of its tenants. Underneath everything is the same, and requires the same attention. The God and the Son gave to it when Christ was on the earth. The principal thing is not to be afraid of death, not to be afraid of life, but to hold them in awe. This is the way the true worshippers of God understand Him, they fear Him not, but they hold Him in awe.

Speaking of "smart men" Canon Cody said, God forbid that smart men shall become the ideals of the Canadian citizen. This would be the most terrible calamity of our civilization. Analyzing a smart man he said he meant by that term a man who makes the quick turn around the corner without preparing for what may be around the sharp bend for him to bump against, and those whose one thought is "money, to make and save money." The Rock of Ages-God is what is held out to all of us. Its shelter and impregnable security promise a safe haven for those who would follow the Lord. The years may come and go, but we need have no alarm, we are in the shelter of the Rock of Ages and all that it implies is the protection of God. You men of St. George's have as your motto: "Faith in Salvation"; with this faith to guide you. There is an inspiration for every man who lives in Canada. You have a magnificent opportunity; let us have a high ambition to match it. Here we have honesty in justice, freedom in politics and righteousness in the land. Let us use conscientiousness or all shall be as naught. The sins of this country are not so much gross sins as they are the sins of inability and mismanagement, but there is for one thing to mar the splendid record, too much perjury in the law courts of Canada.

Special music was rendered by the choir. Rev. Canon Abbott conducted the services.

Representatives of St. Andrew's Society, the I.P.B.S., the Sons of England and the Sons of Scotland joined in the service.

BRITAIN'S STORM.

Snow Eight Feet Deep and Traffic Disorganized.

London, April 27.—A remarkable blizzard, the worst experienced in the south of England since 1861, continued practically all over the United Kingdom throughout Friday night and Saturday, until Saturday midnight. It was accompanied by a violent northerly gale and a low temperature, and in many places the snow drifts are eight feet deep. Railway traffic has been seriously delayed and telegraph and telephone systems are completely disorganized. Tramway cars and motor cars have been snowed up in every section of the country. Many of the outlying districts are isolated and some deaths from exposure are reported.

Enormous damage has been done, especially to the young fruit crops. London, where much snow has fallen during the past week, was bathed in sunshine yesterday though it is still very cold.

KILLED HIS SISTER

In Struggle to Save Murderer Two Persons Killed.

Fort Worth, Texas, April 27.—At Gilmore, Saturday night, Ben Holland a negro while intoxicated, shot and instantly killed his sister, Jennie Marble.

A crowd of several hundred negroes gathered and was preparing to lynch him when Constable Cumble, carrying a double barreled shot gun appeared and attempted to disperse the crowd. Instead of dispersing the mob closed in on the officer who clubbed his gun and started to fight his way out with his prisoner. In the struggle that ensued both barrels of the constable's gun were discharged, Josephine Mitchell and an unknown negro man being instantly killed.

LAST OF THE SEASON.

As this will probably be the last week of roller skating at the Alexandra the management desires to let all patrons know, so as to give them an opportunity of having the last real good skate until next September, when the rink will be again open for business. There will be a band in attendance on Tuesday, Thursday and Saturday evenings only, and these will be the only sessions this week a large crowd at each one is looked for.

South Wellington Liberals have nominated Mr. A. W. Tyson for the Legislature.

PETITION IS LARGELY SIGNED.

DUNDAS LIKELY TO GET ITS NEW
HIGH SCHOOL.

Houses in Course of Erection Damaged
by Storm—Sick Boy Rescued a Small
Girl From Drowning.

(Special Despatch to the Times.)

Dundas, April 27.—This town seems to be assured of a new high school. Twice, chiefly on account of divisions of opinion as to site, by-laws to raise the necessary money by issuing debentures, have been defeated. A majority of the rate-payers, however, have now signed a petition asking the Town Council to provide the necessary funds, \$16,000, without submitting a by-law, the building to be erected on the present site. A special meeting of the Council has been called for to-night to take up the petition, and for other business.

On Friday afternoon the town was visited by a heavy wind and rain storm, which sprang up very suddenly. In a few minutes the gutters were flooded with water. The wind was a fierce one, but seems to have done but little damage, excepting to a new, good-sized frame house in course of erection by Jos. Rowe, on John street. The roof was completed and the siding on the west end. The other three sides were finished up to within a foot or two of the roof. The gale moved the whole building to a slant of about three feet. It is thought that it can be put into an upright position again without tearing down.

When coming down the Greenville mountain into Dundas on Saturday morning, William Henderson, an ex-Councillor of West Flamboro, had the shafts of his buggy demolished by his horse stumbling and falling. The horse was badly scared about the front knees and on its neck.

A. W. Parmenter (Warren), at one time one of the town's well-known citizens, was in town on Friday, calling on some old-time friends. Mr. Parmenter has been living in Toronto, and notwithstanding advanced years, is looking hale and hearty.

On Saturday came word from Alibon, Pa., of the death of Joseph (Bunker) Boyle, and yesterday his sister, Mrs. Gould, left to look after his burial. The report is that his death is a sudden one. Street watering will be gone on with this season, as usual, the requisite number of signatures having been secured, notwithstanding the refusal of a number owing to the unsatisfactory service last year.

The wife of Joseph Walker, of Bullock's Corners, died on Saturday and the burial took place to-day. The cause of death was consumption.

It was Gertrude, the four-year-old daughter of Fred Turnbull, who fell into the dam on Friday and was rescued by young Eddie McMenemy, who was in his home at the time, laid up with mumps.

JUVENILE TEMPLARS.

At the weekly meeting of the International Juvenile Temple, held in the C. O. O. F. Hall on Saturday afternoon, the following officers were elected, after a keen competition for the ensuing term.

Nellie Morrison, Past Chief Templar.
Dean Boniface, Chief Templar.
Clara Bradford, Vice-Templar.
Tom Macnaughton, 355 James Street north, Secretary-Treasurer.

Miss Daisy W. Madden, Assistant Secretary-Treasurer.
Walter Seddon—Chaplain.
Mabel Russell, Marshal.
Nellie Rowan, Guard.
Jeannie Wands, Sentinel.
Lizzie Smith, Pianist.

The spirit of friendly rivalry which prevailed showed that the members were taking great interest in the working of the Temple. Prior to the election five new members were admitted. With Mrs. F. W. Ambrose and Mrs. C. A. Hardie as assistants to Mrs. D. B. Smith, the superintendent, a bright and prosperous term is looked for.

Domination land surveyors will get increased salaries.
