**Lessen Your Living Expenses!**

"Be economical," is the cry in England, and this slogan has the  
same significance in Canada. We all must economize. There is more  
actual waste in our dress expenses than any other item. When a  
garment becomes soiled we throw it aside, when for a few cents it  
could be restored to original freshness and beauty by Dry Cleaning.  
A saving of at least 35 per cent. in the expense of dressing is pos-  
sible by using the processes of Dry Cleaning and Dyeing.

Our agents will gladly give you full particulars.
