THE DANGERS OF LOOSE NATURALIZATION LAWS

The Danger of Corruption. Interesting Address at the Y. M. C.A.

the perils which, in his opinion threat-ened this western country in particular. administered aid to the unfortunate cases, else it would breed anarchy. and class freedom must be tempered th a regard for the rights of one's fellow-men. Democracy is not a form government. It dates back to the earliest dawn of civilization, and is manifested in every form of govern-It ensures every man a place in the state and that every man should allowed to work out his own destiny There is no greater fallacy than the eory that all men are equal. All men have equal rights and equal opportunities, but are not all equal in intellect, in power. Men's minds are not all cast in the same mould, and in every walk of life men are found who have greater talents than others. There is a aristocracy in Democracy just as are was in the Middle Ages. It is not an aristocracy in democracy just as ther is it an aristocracy of wealth. The men who have done the greatest leeds for their country and for huanity have often been without wealth. but they have been men of priceless

bility, and of services. If the leaders of Democracy are not men of character and of merit, it will ecome a mad horde and a mob. Looseness of Naturalization Laws.

haracter. Democracy Loes teach that

there is an aristocracy of merit, of cap-

The first peril of Democracy to which Mr. Bennett referred, was the "Loose ness of our Naturalization Laws." "We are," he said, "ho ding out invitations to the people of the world to come here, and are receiving a large number of people, who are not of a kindred race and whose aspirations are ot the same as ours. They do no speak our language; their history and and it is folly to think that they can

ons to do what we can to secure such a naturalization law that will ensure so. Some drug was found on Ward

love of country." Guarding the Franchise. The next peril referred to was that of granting the franchise to those who

are not qualified to exercise it intelli-"We are taught to believe," said Mr. Bennett, "that every man is on an equality at the ballot box. This should not be so. Under our present system 1000 people from Continental Europe, who have no regard for our sovereign or for British institutions, who have come naturalized, have the same power as the same number of men who have grown gray in the country. These foreigners may not be able to read or write one word of the English language not even the names of the candidates. most intelligent citizens. It is a dangerous experiment that is being made. Wisdom does not always 'ie with the

# THE BEAUTIFUL THEMS

Horticultural Society Held Services in Almost all of the Churches.

MEMBERS ADDRESSED THE SUNDAY SCHOOLS

Very Interesting Services in Most of the Calgary Churches

The efforts of the Calgary Horticultural society to enlist the co-operation of the children of the city in making a Calgary heautiful and which culminated in a series of addresses to the different Sunday schools of the city, has proved an unqualified success and caninducing the children to take a greater interest in the subject. There were a large number of parents present at the meetings who agreed to give the

the laudable object. Yesterday a committee consisting of Messrs. W. J. Tregillus, acting president: H. E. Lawbert, Geo. Wells, J. E. Rice, James Short, K.C., H. D. Burroughs, Mayor Jamieson, Rev. G. W. Kirby, Rev. Mr. Pratt and Ald. C. B. Reilly, addressed the larger central Sunday schools and met with a very hearty reception at every school visited. They first visited St. Mary's church, and addressed the children in

Mr. Tregillus then went to the Pro-Cathedral and afterwards to St. Stephen's church and addressed the children of the Sunday schools at these places, while the other members went to the Central Methodist church and afterwards along with Mr. Tregillus to Knox church. Mrs. Houlton also addressed the primary school of the church of the Redeemer. Addresses were also delivered in nearly all of the suburban churches by gentlemen inerested in horticulture, as well as the pastors of the different churches.

The Other Services Dr. A. M. Scott spoke at Wesley church: A. C. Newcombe, B.A. at Olivet Baptist church; Rev. G. A. Ray at St. John's; A. J. Bartle at East End Baptist: Clinton Ford at Westbourne: Dr. Egbert at Victoria; R. J. Hutchings at St. Paul's; F. S. Sellwood at Hillhurst Presbyterian; W. Campbelle at Hillhurst Baptist; Rev. G. D. Childs at St Barnabas: E. I. Peel at St. Paul's Crescent Heights Methodist: T. Northfield at Crescent Heights Baptist; E. Bull, Bankview Methodist. theme of all the addresses was to enlist the co-operation of the children in making Calgary the most beautiful city in Western Canada, and to induce them one to plant a tree. It was impressed

The children at each school entered heartily into the spirit of the addresses and were very enthusiastic over the movement. Ald. C. B. Reilly made a very pleasing remark at the Central this is a movement in which the children of every creed and every church could unite and a similar se ment was expressed by Rev. Mr. Kerview Methodist Sunday school a pleasing feature was introduced by the singing of appropriate flower songs by

the children. At Knox church, Mr. J. B. Macdonald who presided stated that last year the teachers of the Sunday school had inthe children with highly satisfactory

It was announced at the different meetings that the horticultural society with flower seeds and garden tools at half price. These will be distributed, commencing today, from the store of the Calgary Furniture company.

## VERY SUDDEN DEATH OF CALGARY OLD TIMER
