HE BEGS A PRIEST FOR A CRUCIFIX HE HAD STOLEN

Highwayman Get the Emblem and is Pledged to Wear It for Rest of Life

Spokane, Wash., July 2.—A solid silver crucifix, representing part of the loot he gained as a highwayman, will be suspended from the neck of A. L. Bennett, alias "Gimpy the Rat," when he goes to Walla Walla prison to serve a term of from 19 to 25 years for robbery. Bennett was sentenced Friday by Judge J. D. Hinkle in the superior court after he had pleaded guilty to the charge of holding up Thomas Nilsson, a Danish laborer, giving him the "skin frisk," for which the robber was notorious.

The crucifix was the property of Father Dulliano, who conducts a mission near Hillyard. The bandit held up his man, Ulysses Pichambert, and stripped the crucifix and a rosary from his neck. His arrest took place on Wednesday. Thursday Bennett made a full confession of his most recent crimes.

"Take me out to that priest near Hillyard," he asked the officers. He was driven to the mission in the police automobile. There he asked the forgiveness of Father Dulliano, which was quickly granted.

"Won't you let me take that crucifix to prison with me; that's where I'll go," he asked the priest. Father Dulliano consented. It was held in evidence by the police until yesterday, when Detective Chester Edwards took the miniature cross to him. The thief placed it around his neck with the promise that he would keep it there during the remainder of his life.

"I'll probably die in the pen," he said, "but I'll have this anyway."

THE MARKETS

WINNIPEG GRAIN MARKET. Winnipeg, Man., July 2.—Reports of rain in Minnesota and the Dakotas and a few showers in the Canadian west had a strong downward pull on the market, much more than appearances warranted. Cables were unchanged to 1/2c lower. Canadian visible showed a big shrinkage, and stocks of wheat in terminals are now less than one million bushels greater than at the corresponding time of last year. Toronto Livestock. Toronto, July 2.—Receipts at the city cattle market were about one-third as numerous today as on the holiday, but the proportion was again on the side of the very common rough grass cattle, which were slow and grumpy at 450 to 600. The few really choice cattle were quite as firm as last week, a number selling as high as 800. Cows were 50 cents off at 500 to 600 but bulls were stronger. Feeders and stockers were steady at unchanged figures. Butcher cattle ranged from 600 to 750. Hogs were lower than last week by about 25 cents per cwt. quotations being 800 fed and watered. LEANDER IS THE FAVORITE AT HENLEY-ON-THAMES

Henley-on-Thames July 2.—Leander rowing club's eight are the favorites in critics' eyes for the big race the Grand Challenge cup, but the Canadians have a strong following and their pull over the course last night was a great triumph. The eight, in three minutes, twenty-eight and two-fifths seconds, and completed the whole course in seven minutes twelve seconds. The Australian crew, too, put up an excellent show. It seems a pity that they should be drawn together for one of the early trials of strength on Thursday, for it means the elimination of one of the colonial crews quite early in the regatta. Owing to the nervousness of the regatta nothing serious was attempted this morning, work being chiefly devoted to minute bursts. Butler, the Toronto sculler, shows much improved form. CADETS JOIN MILITIA. Sydney, N.S.W., July 2.—Twenty thousand cadets yesterday joined the militia, practically doubling the first line of defence.

ARRANGE FIRST ISSUE OF BONDS OF PACIFIC GREAT EASTERN

Vancouver, July 2.—Arrangements for a first issue in London of \$2,000,000 bonds of the Pacific Great Eastern railway to be run from North Vancouver to Port George, have been successfully completed. Construction work will be started within the next few weeks at a point between the southern terminus and Newport, at the head of Howe Sound.

HOLD BACK CONSTRUCTION OF THEIR LINE TO NORTH VANCOUVER

Vancouver, July 2.—Because the federal government imposed the restriction that other lines must be allowed to make use of C.P.R. tracks, suggesting they were built to North Vancouver, the Canadian Pacific, through General Supt. F. W. Peters, announced today that nothing would be done towards building the line at present, but that other companies must be allowed to make use of the line in years to come, the Canadian Pacific must allow running rights over it.

CARPENTERS' DEMAND FOR MORE PAY MAY BE ARBITRATED

Arbitration is suggested in connection with the demand of the Carpenters' union for an increase from 50 to 55 cents per hour, and a short work day on Saturday. The demand of the carpenters was made some time ago to go into effect July 1. It has not been acceded to by the builders, and a meeting of the Builders' Exchange, with which most of the contractors are affiliated, has been called to Thursday evening, when the matter of arbitrating the differences with the carpenters will be discussed.

OTTAWA WILL HELP REGINA COUNCIL TO VOTE GRANT

Ottawa, Ont., July 2.—The Ottawa city council at a meeting to be held today will vote \$10,000 and possibly \$12,000 to the Regina cyclone sufferers.

MONTEAL PRODUCE

Montreal, July 2.—The butter market is firmer, with a bit amount of business passing. The English demand for cheese is fair and prices rule firm.

CHICAGO GRAIN

Chicago, Ill., July 2.—Sentiment turned overwhelmingly bearish today regarding wheat covering the spring crop country last night and this morning. Closing prices were easy 1/2c and 1/2c to 1/2c net lower. The decline extended to each of the other pits, corn finishing 1/2c to 3/4c down and oats 1/2c to 1/2c.

LONDON STOCK EXCHANGE

London, July 2.—The stock market developed a better tone today under a smart recovery in home railroads at the fresh buying of foreign rails, rubber and oil shares, but Paris selling in the afternoon weakened copper and diamond shares. Consols were weak and fell 5/16. The market for American securities ruled generally firm throughout on light covering and some New York support. The close showed fractional net advances over yesterday's final prices. Rubber shares were firmer on rumors of the failure of the synthetic Products company's issue of \$2,500,000.
