Dying by Slow Degrees.

Dying by Slow Degrees.

Although not always aware of it, yet thousands die by siow degrees of catarh. It first attacks the nose or throat, then the lungs, and finally spreads all through the system. Catarrhozone is the only remedy that will immediately prevent the spread of this awful disease. Every breath from the Inhaler kills thousands of germs, clears the throat and nose, aids expectoration and relieves the pain across the eyes. Catarrhozone eradicates every vestige of catarrh from the system, and is highly recommended also for bronchitis, asthma, deafness and lung trouble.
