Close of Market.

Chicago, Dec. 19, 1888.

A feature of to-day's wheat market was the trading in the new crop futures. There was more doing in July delivery, and operators, especially some of the commission houses, are endeavoring to encourage trading in this future, which they think is less liable to manipulation. The result of to-day's trading caused a decline of 2¾c from the opening prices, and ruled 9c to 3c under the prices ruling for May futures. The market, generally speaking, again ruled very dull, and most of the trading was local. Leading futures closed:—WHEAT, December, 1.03⅝; January, $1.04¾; May, $1.09⅝; July, $1.09¾. CORN, December, 34c; January, 34¾c; May, 37c. OATS, December, 25¼c; January, 25⅝c; May, 28¾c. PORK, January, $12.95; May, $13.32½. LARD, December, 7.12½; January, $7.77½; May, $7.85. SHORT RIBS, January, $6.85; May, $6.95. Cash quotations were:—No. 2 spring WHEAT and No. 3, $1.03⅝ to $1.03¾. No. 2 CORN, 34c. No. 2 OATS, 25¾c. PORK, $13. LARD, 12½ to $8.15. SHORT RIB SIDES, $6.85 to $6.90. DRY SALTED SHOULDERS, $6.75 to $6.87½. SHORT CLEAR SIDES, $7.37½ to $7.50. Winter wheat closed strong and higher; No. 1 white sold early at $1.09 on track, closed at $1.09¾ to $1.10 bid; No. 2 red, 1.09¼. London butchers sold at $3.35, and a car of Indiana shipping stock, 1,250 lbs., sold at $4.15; fair prospect for good stock during balance of week.

Sheep and lambs—Offerings, 21 cars, of which 4 cars were Canada lambs; market fairly active, with brisk demand for choice to prime sheep, and few of this description here from good sheep would sell at $5.25; good to choice, $4.50 to $5; most of the offerings were Michigan sheep of common to fair quality, and for these the demand was rather limited at $3.50 to $4.75. Lambs in good demand for choice to extra, the latter grade of Michigans selling up to $6.25; choice to prime, $5.85 to $6.20; most of the Michigan lambs here were of fair quality, which sold at $5 to $5.35. The Canada lambs split up widely in prices owing to the difference in quality, but the market was good. On account of big prices the stock shipped last week realized in New York Monday and to-day, and on fine advices from that and other eastern markets for very choice Canada lambs would bring $6.90; those here to-day sold at $6.50 to $6.75 for best, and one car at $6.25. Prospects of a largely increased supply in late days of the week may weaken prices.

Hogs—With the 35 cars unsold from yesterday and 60 cars of fresh receipts the market ruled strong and higher. Yesterday's decline was recovered on all grades and the market ruled about Monday's figures. Mediums, Yorkers, pigs and light mixed sold at $5.10, outside figures; mediums down to $5; Yorkers mostly $5.05; pigs and light mixed, $5.05 to $5.10; roughs, $4.50 to $4.60.

CHICAGO.

Union Stock Yards.—Chicago, December 19.—Estimated receipts of hogs, 19,000; official receipts yesterday, 18,333; shipments, 2,936; left over, about 4,500; light grades, $4.95 to $5.20; mixed packing grades, $5 to $5.20; heavy shipping, $5.05 to $5.30; rough packing grades, $4.95 to $5.05. Cattle—Receipts, 11,000; market fairly active.

TRADE, TRAFFIC AND FINANCE.

Latest Notes by Telegraph and Mail.

WHEAT.

The French markets are not showing the activity that has generally been expected, but it must be remembered that they carried over a surplus from last year of some 34,000,000 bushels, and have since been receiving very heavily from Russia, and at the same time have been economizing, as the French know how to, besides substituting rye for wheat to a very large extent.

BRITISH LIVE STOCK TRADE.

Cables on Monday were strong, but no Canadians were offered. There was a brisk demand for account of the Christmas trade, and prices were materially higher. Receipts of States cattle were light, but general supplies were fair. At Liverpool there were moderate offerings, and a good Christmas trade was done. Prime rates were at 13¾c; good to choice, 13c; poor to medium, 12c, and inferior and bulls 9c to 10¾c.

QUININE AND OPIUM.

The New York *Commercial Bulletin* says:—"The sale of bark in Amsterdam yesterday resulted in a decline of 10 per cent., and the information wired brought out freer sellers here of foreign quinine in large bulk, with the price 3¾c named for ordinary brands. The demand, however, has shown no improvement, buyers simply confining their attention to such quantities as are momentarily required. For the more popular makes up to 35c is demanded. Domestic remains quiet but steady. Enquiries for opium are yet limited to quantities consistent with actual wants, and these seldom run beyond single cases in any one purchase. For ordinary test $2.85, and high grade $3 to $3.10 are the prices demanded for full packages, while the former in small quantities as wanted is readily obtainable at $2.90. Powdered can be had at $4, though some holders ask up to $4.30 for what they term superior quality.
