## TRAVELERS

To learn that, while maintaining its place during 1890 as the leading Accident Insurance Co. by issuing over 100,000 policies and payraing in claims nearly one million dollars, it also wrote \$13,563,000 of life insurance,

These figures mean that the Travelers wrote almost as much life insurance as the four leading Canadian Life Insurance Companies together, and gives it the right to be classed as a leading Life Insurance Company as well as the leading Accident Insurance Company of the world.
