THE NEW HOOK SPOON FREE TO ALL.

I read in the Christian Standard that Miss A. M. Fritz, Station A, St. Louis, Mo., would give an elegant plated hook spoon to anyone sending her ten 2-cent stamps. I sent for one and found it so useful that I showed it to my friends, and made \$13.00 in two hours, taking orders for the spoon. The hook spoon is a household necessity. It cannot slip into the dish or cooking vessel, being held in the place by a hook on the back. The spoon is something that housekeepers have needed ever since spoons were first invented. Anyone can get a sample spoon by sending ten 2-cent stamps to Miss Fritz. This is a splendid way to make money around home.

MARRY THIS GIRL, SOMEBODY!

I have been reading in your paper about several men and women that have been very successful selling self-heating flat irons, and I concluded I would see what a girl could do. I have worked 12 days and have sold 151 irons, and have 218 dollars left after paying all expenses. Everybody is delighted with the iron, and I sell one almost every place I show it, as people think they can't afford to be without one, as they save so much fuel and time and don't burn the clothes. I know I can clear five thousand dollars in a year. How is that for a girl?

A GRADUATE.

Splendid, my girl, splendid, you are a true American girl. Anyone can get complete information about the self-heating iron by addressing J. F. CASEY & CO., St. Louis, Mo. It seems to be a winner, as everybody selling it writes in its praise.

HOW THE DIPPER SAVED THE FARM.

Father was sick and the mortgage on the farm was coming due. I saw in the Christian Advocate where Miss A. M. Fritz, of Station A, St. Louis, Mo., would send a sample combination dipper for 18 two cent stamps, and I ordered one. I saw the dipper could be used as a fruit jar filler; a plain dipper; a fine strainer; a funnel; a strainer funnel; a sick room warming pan and a pint measure. These eight different uses makes the dipper such a necessary article that I went to work with it and it sells at very near every house. And in four months I paid off the mortgage. I think I can clear as much as \$200 a month. If you need work you can do well by giving this a trial. Miss A. M. Fritz, Station A, St. Louis, Mo., will send you a sample for 18 two cent stamps—write at once.

A GREAT CHANCE TO MAKE MONEY.

I want to tell you of my wonderful success. Being a poor girl and needing money badly, I tried the Dish Washer business and have cleared \$200 every month. It is more money than I ever had before, and I can't help telling you about it, for I believe any person can do as well as I have if they only try. Dish Washers sell on sight; every lady wants one. The Mound City Dish Washer Co., St. Louis, Mo., will give you all necessary instructions, so you can begin work at once. The Dish Washer does splendid work; you can wash and dry the dishes in two or three minutes without putting your hands in the water at all. Try this business and let us know how you succeed.
