DIOCESE OF TORONTO.

TORONTO. —On Sunday morning, the Rev. Mr. Gubbins, a deputation from the Irish Church Readers' Society, preached at Trinity-in-the-East, on behalf of that Society, and in the evening in St. James' Church. Of the morning sermon we are not in a position to speak, not having been present, but that delivered in the evening, was one of the most interesting discourses we have heard for some time. The preacher very lucidly traced the true history of our Protestant Catholic church in "the Island of Saints" from the beginning, giving irrefragable proof of its Eastern origin, and its independence of Rome till the twelfth century. The mistaken policy of England in endeavouring, at the period of the Reformation, to suppress the use of the Irish language, and the consequent alienation of the peo-

ple's religious affections, of which Rome with her characteristic zeal and subtlety took successful advantage, were ably set forth. He next adverted to the use and the *modus operandi* of the society for which he was an honorary deputation, shewing how the Irish Bible found its way to our Romanist brethren, in the face of much persecution on the part of the Church of Rome against those who were converted from her errors, and received back into the church of their forefathers. The statistics of the Society, as read by the Reverend gentleman, were very encouraging. We should however have liked to have heard something about the Irish Prayer book, as well as about the Irish Bible. It is presumed that the Gaelic or Irish version is used in most of the churches which are occupied by Irish speaking converts from the Latin schism. We cordially commend this cause to the liberality of Churchmen in Canada — A missionary meeting, in connexion with the objects of the Society was held on Monday night, in Trinity Church in the East.—(Communicated.)

Bishop's Court. —A Bishop's Court will be held on Friday next, at twelve o'clock in the morning, in the small room, at the Church Street entrance to the Cathedral, Toronto.
