## A RARE CHANCE.

We have about 40 nuclei—Carniolans and Italian crosses—which we will sell at \$2 to \$2.50 on three combination lrames, with sufficient stores for transit. Each nucleus will contain a choice queen to breed from, raised from extra fine mothers, selected specially for the honey gathering qualities of the progeny.

We have a few imported Carniolan queens (received this season) which we Will sell at \$3 each.

Fifty colonies of choice bccs, in <sup>8</sup> frame combination hives, Italian and crosses, at \$4 to \$4.50, each with good queens and most of them with consid-<sup>erable</sup> stores.

The above prices are for immediate delivery, and to those who wish to change their qucens or stock, this is an excellent opportunity.
