

INVITATION TO A CANADIAN PRIZE-TAKER.—The North British Agriculturist, of Edinburgh, referring to the recent Provincial Fair at Hamilton, says:—

"It will also be observed from the report that the awards of the judges of the mowing and reaping machine competition were made public at the Show. When we gave a previous notice of this trial, we alluded to the success of machines manufactured by J. Watson, Ayr. We supposed that the manufacturer referred to was one of the 'honest men' for which the town of Ayr, in Scotland, was celebrated. We now learn from the letters, C. W., appended to Ayr, that the successful maker is an inhabitant of the town of Ayr, in Western Canada. It would be a favour to agriculturists in Great Britain if Mr. Watson, Ayr, C. W., would forward one of his reapers to this country for exhibition and competition."

We trust Mr. Watson will accede to the above request.
