DONATIONS TO THE MUSEUM OF KNOX'S COLLEGE.

Presented by Rev. Dr Burns—
Fine specimens of Petrification, from the West Indies; and Crystals from Inverness, C. E.

On the 22d of February the sum of £13 was received from Mr. A. Calder, Beaverton, to be applied on six separate accounts. For want of information on certain points it was not acknowledged in the *Record* for March. We are still at a loss, but for the information of the contributors, we may mention, that there is for the *Homo Mission Fund* from Beaverton, £2 5s.; Eldon, £4 12s. 8d. Query—is this for the Presbytery of Toronto, or for the Synod's *Homo Mission Fund*, which is now joined with the *Baxton Mission and Synod Fund*? £1 14s 6d. was paid over to A. McD. for services rendered by him in the West.

THE CANADA LIFE ASSURANCE COM-PANY, HAMILTON,

CONTINUES to grant Assurances upon Lives, and to act generally in any of the great variety of modes practised by Life Offices. It is the only Canadian Company as yet in operation, and whose Funds are invested solely in this Province at high rates of compound interest, and on the very best Securities, instead of being drained therefrom and invested at the barely remunerative rates obtainable in Great Britain; this, together with the past and daily increasing success of the Institution (literally unequalled by any British Company) fully justifies the Directors in repeating their former assertion, that the advantages it offers cannot be approached by any Company doing business in this Province.

Rates and full particulars may be obtained of E. BRADBURNE, Agent, Albany Chambers
