YALE DISTRICT.

NOTICE is hereby given that the following definitions of the Yale and Kamloops Mining Divisions be substituted for those at present in force, viz.:

YALE MINING DIVISION.

Starting on International Boundary, at a point where such boundary intersects height of land separating the drainage area of Skagit River from drainage area of south Similkameen River;

Thence northerly along height of land separating the drainage area of the Skagit and Coquihalla Rivers on west from drainage area of Similkameen on east to a point on such divide where it joins the height of land forming the southern and western boundary of drainage area of Coldwater River;

Thence continuing northerly following

such height of land to the Nicola River;

Thence north westerly following the height of land to the height of land south of Arqua Creek;

Thence south westerly following the height of land to a crossing of the Fraser River, midway between Quiaik Creek and Salmon River;

Thence westerly following the height of land between Quiaik Creek on north and Salmon River on south, to the height of land forming the divide separating the drainage area of the Fraser River on east and Lillooet River and Harrison Lake on west;

Thence southerly along such height of land to a point where it joins height of land forming the eastern boundary of watershed of Ruby Creek;

Thence continuing southerly along such eastern boundary to a crossing of the Fraser River at mouth of Ruby Creek;

Thence southerly to height of land separating drainage area of the Chilliwack River on west from drainage area of Silver Creek and Skagit River on east to the intersection of such height of land by International Boundary;

Thence east along such International Boundary to point of commencement.

KAMLOOPS MINING DIVISION.

Commencing at a point on Canoe River at just below mouth of Foster Creek;

Thence southerly along height of land forming the southern boundary of watershed of Foster Creek, to a point where such height of land meets height of land forming the south-east boundary of the drainage area of the North Thompson and separating it from the watershed of Adams River;

Thence along this height of land to a crossing of the Thompson River, one mile above the junction of the Clearwater River;

Thence along the eastern boundary of the watershed of the Clearwater to a crossing of that river just below the junction at Mahood Creek;

Thence south westerly along divide between drainage areas of Bridge Creek on north-west, and North Thompson River on south-east;

Thence southerly along height of land separating drainage area of Criss Creek on the west and Copper Creek on the east
