Lasting Effects.

REV. HY. CARTEL, Maddock, Springfield, P.E.I. wrote the following under date June, 1895: "It is impossible for my wife to find words to praise your **K.D.C.**, for what it has done for her. She suffered with water brash and awful distress in fact, she was in misery all last winter, so much so that she could not bear to have her clothes on, so I thought I would get her some **K.D.C.**. Each dose seemed to tell, and long before she took two bottles she was cured, and can now eat anything.

This letter shows the great merit of **K.D.C.** and the following shows that its effects are lasting. Mr. Carter writes us July 31st, 1896, more than a year later. "Some time ago I sent you a letter testifying to the value of your wonderful **K.D.C.** to my wife. She is still enjoying good health, with no signs of her old trouble." Try it, sufferers. **K.D.C. Pills** are splendid for the liver and bowels.
