

2. — We must on with our banner unfurled :
 We must on, it is Jesus who leads :
 We must hasten to conquer the world
 With the sign of the Heart that bleeds.
3. — We must stand to our colors like men ;
 Our Lord is a leader to love ;
 For the wounded He heals : and the slain
 He crowns in His city above.
4. — We must march to the battle with speed ;
 Upon earth our one duty is strife :
 Oh, blest are the soldiers who bleed
 For the Saviour who died to give life.
5. — Christ our King is in heaven above ;
 Christ our King is on earth here below
 And His is the standard we love,
 And His the so^l watchword we know.
