THE CHRISTIAN REPORTER.

A NON-DENOMINATIONAL MONTHLY

PUBLISHED ON THE 15th OF EACH MONTH

SUBSCRIPTION:

75 CENTS PER ANNUM.

A journal purely evangelical and unsectarian in its nature, which serves as a medium for the best thought of Christian thinkers, and as a record of the varied labors of Christian workers, and is one in which all Christians may and should take an active interest.

The secular papers can necessarily furnish only meagre summaries of addresses full of rich thought, the reading of which is in many instances necessary to a proper appreciation of their real value as expositions of truth; the denominational journals, though eminently useful in their several spheres, cannot, in the circumstances of the case, secure circulation outside of those bodies of Christians under whose auspices they are issued; but a publication which enters the broad fields of Christian thought and work in which Christians of every evangelical denomination are labouring in common, is, we believe, an excellent aid in the promotion of that unity which all Christians desire. Such a journal the REPORTER aims to be.
