THE DYING CALIFORNIAN 10t.

Lik up nearer, brother, nearer,
For my limbs are growing cold,
And thy presence seems the deare.
When thy arms about me fold I am dying, brother, dying, Then you'd miss me in your barth, And my form will soon be lying Neath the ocean's bring surf

Hearken to me brother, hearken,
I have something I would say,
E'er the voil my vision darken,
And I go from hence away. l am going, surely going,
But my trust in God is strong;
I am willing, brother, knowing
That He doeth nothing wrong.

Toll my father when you greet him,
That in death I prayed for him,
Prayed, that I might one day meet him
In a world that's free from sin. Tell my mother, God assist her Now that she is growing old, That her child would glad have kessed her. When his lips were pate and cold.

Listen, brother, catch canb whisper
"I'm my wife I'd speak of now;
Tell, oh tell her, how I miss'd her,
When the favor burned my brow.
Tell her, brother, closely listen,
Don's favort a single word. Don't forget a single word,—
Till in death my eyes will glisten
With the tears her memory stirred

Tell her she must kiss the chi'dren, Like the kiss I last impressed; Holding them as I last held them, Folded closely to my breast. Give them early to their Maker, Putting all her trust in God; And he never will forsake her. For he said so in his word

Tell my sisters I remember Every kindly spoken word, And my heart has been kept tender,
With the thoughts their memory strred.
Tell them I never reached the haven,
Where I sought the precious dust,
But I've gained a port called heaven Where the gold can never rust

THE FAR-FAMED MEDICINE.

# HOLLOWAY'S PILLS.

Surprising cure of a confirmed asthma, af ter five years' suffering.

The following testimonial has been sent to Professor Holloway, by a Gentleman named Middleton, of Scotland Road. Liverpool.

S-olland Road. Liverpool.

Sim,—Lour Pills have been no means, under Providence of restoring me to sound health after five years of severe affiction. During the whole of that period, I suffered the most dreadful attacks of Astlima, frequently of several week, duration, attended with a violent cough, and continual spitting of phicam intermixed with blood. This so shook my constitution that I was unfitted for any of the active duties of life. I was attended by some of the most eminent medical men of this town, but they failed to give me the slightest relief. As a last remedy I tried your Pills, and in about three months they effected a perfect cure of the disease, totally endicated the cough, and restored tone and vigour to the chest and digastive organs.

I am, Sir, your obedient Servant.

A PERMANENT CURE OF A DISEASED LIVER OF MANY YEARS STANDING.

Copy of a Letter from Mr. Games, Chemist, Yeovil, ta Professor Holloway.

DEAR SIR.—In this district your l'ills command a more extensive saio than any other proprietory medicine before the public. As a proof of their efficacy in Liver and Billions complaints, I may mention the following case. A naiv of this town with whom I air personally adjustined, for years was a suvere sufferer from disease of the Liver and digessive organs; her medical attendant assured her that he could do nothing to relieve her sufferings, and it was not likely the could survive many months. This announcement naturally caused great alarm among her friends and relations, and they induced her to make a trial of your l'ills, which so improved her general health that she was induced to continue them until site received a perfect cure. This is twelve months ago, and site has not experienced any symptoms of relapse, and often declares that your l'his have been the means of saving her life.

I remain, Dear Sir, yours truly,

To Professor Hollowar,

To Professor Hollowar,

Sin.—I beg to inform you that for years I was a sufferer from Chronic Rheumatism, and was often laid up for weeks together by its accret and painful attacks. I tried overy thing that was recommended, and was attended by one of the most eminent Surgeons in this town; but obtained no relief whatever, and fearing that my health would be entirely broken up. I was induced to go into our County Hospital, where I had the best medical treatment the Institution afforded, all of which proved of no avail, and I came out no botter than when I went in. I was then advised to try your Pills, and by persevering with them was perfectly cared, and enabled to resume my occapation, and although a considerable period has clapsed I have felt no return whatever of the complaint.

I am, Sir, your obliged Servant, (Signed) W. MOON.

AN EXTRAORDINARY CURE OF DROPSY, AFTER

SUFFERING FOR EIGHTEEN MONTHS. Copy of a Letter from Mr. G. Briggs, Chem 1, Goole, dated February 14th, 1853.

To PROFESSOR HOLLOWAY.

To PROFESSOR HOLLOWAY,

Sin,—I have much pleasure in informing you of a most surprising cure of Dropsy, recently effected by your valuable medicines. Cartain Jackson, of this piace, was afficied with Dropsy for upwards of eighteen months, to such an extent that it caused his body and limbs to be much smooten, and water occus as it were from his skin, so that a daily change of apparer came necessary, noise that a daily change of apparer came necessary, noise that men consulted, all was of no avail, until herommenced using your Pilis, by which, and district attention to the printed directions he was effectually cured, and his beauty perfectly re-established. If you deem this worthy of publicity, you are at liberty to use it.

I am, Sir, yours respectfully, G. Briggs,
