Box 494. Berlin, Ont.

Sanctum Sayings.

We take much pleasure in presenting to you, the second number of the Boys' Own PHILATELIST. We must thank, cordially, those of you who have favored us with subscriptions. To those who have not done so, no doubt through fear that number 2 would not appear, we can say that we have come to stay, to furnish you with news of more than ordinary interest; especially to the beginner.

You should join the B. O. P. A. Why? Because it is conducted to further your interests. Better write W. A. Lydiatt, 229 Davenport Rd, Toronto, Can. for application blanks, with particulars.

"A thing succeeds, not because of those who wait to see if, it is a success

but because of those who take hold and make it a success."—Mekeels Weekly Stamp News.

Your subscription would help make this paper a success. Why not let us have it? It will be to your interest!

We would be pleased to receive the names of your stamp collecting friends to whom you would like us to send a sample copy. Send us their names and addresses with your subscription.

At a meeting of the City Council of Toronto, lately, a deputation was appointed to wait upon the Post-Master General to solicit a reduction of the postal rate in Toronto, from two cents to one cent.

Have you sent for an application blank to B. O. P. A. If not, Why not?

Scott's 58th edition catalogue and Boys' Own PHILATELIST one, for a 60c money order.

A local stamp club has been organized in Hamilton with 11 members.

This paper is intended particularly for amateur collectors and beginners by which we mean those who are satisfied with obtaining one specimen of each stamp catalogued and are content to leave pairs, blocks, strips etc to advanced collectors and variations of shade, watermark, perforation and plate numbers other than those catalogued, to experts.

FREE. 25 diff. stamps
to every new agent.

We allow 50% comm.
100 all different 8c.
