Obituary.

DR. ROLPH LESSLIE.

Dr. Rolph Lesslie, son of ex-Postmaster Joseph Lesslie, and brother of Joseph W. Lesslie, M.D., died on the island of Dominica on Dec. 20, 1893.

Rolph Lesslie, M.A., M.D., was a graduate of

the University of Toronto, Canada; L.R.C.P. England; fellow of the Royal Geographical Society, London; chevalier of the Order of Leopold, London; chevalier of the Order of the Congo Star, instituted for the reward of distinguished service in Africa, Order of the Medjidie 4th class, Turco-Servian, Turco-Russian and Zulu war medals, educated at University of Toronto, St. Thomas Hospital, London, Vienna and Berlin; served as Surgeon Major with the Turkish army during the Servian war, and was present at the siege and capture of Alexinatz; accompanied the victorious army on its march from Alexinatz to the Danube across the Balkan mountains.

During the Russo-Turkish war, served with the Red Cross ambulance, attached to Dervish Pasha's army covering Batoum, where he saw some hard fighting, and with his colleague, Surgeon Hope, accompanied the attacking column on one occasion, attending the wounded under heavy rifle fire. For the services they rendered in this battle, they were publicly thanked by Field Marshal Dervish Pasha, and recommended for the Order of the Medjidie, which they afterwards received.

FOVER.

The LYMAN BROS. & CO. (Ltd).

CHLOROFORM

PURE. Lyman's S. G. 149.

AND

ETHER SULPHURIC

PURE. Lyman's S. G. 725.

FOR ANÆSTHETICAL PURPOSES.

(The above have been manufactured by our firm for over forty years, and are being used by leading Surgeons and Physicians in Canada.)

The late Dr. J. H. McCollum says of our CHLOROFORM, "that during the nearly fifty years that I held the position of Medical Superintendent of the *Toronto General Hospital*, the Chloroform manufactured by The LYMAN BROS. & CO., Ltd., was administered to about one thousand annually, and in no case had we fatality from it. I have also used it for thirteen years in private practice."

Dr. T. G. Johnston, *Sarnia*, says: "For the last six or seven years I have used no other Chloroform than that manufactured by The LYMAN BROS. & CO., Ltd., both in surgical and obstetrical practice, and have had, and still have, every reason to be thoroughly satisfied with it."

WE CLAIM THE FOLLOWING ADVANTAGES—

- 1st. Its Comparative Cheapness.
- 2nd. The stage of excitement is not nearly as great as with other makes.
- 3rd. The after effects are not so pronounced.
- 4th. No offensive odor during administration.

Dr. C. O'Reilly, Medical Superintendent of *Toronto General Hospital*, says of our ETHER SULPHURIC: "During the last several years the Ether manufactured by The LYMAN BROS. & CO., Ltd., has been extensively used for anæsthetical purposes in *Toronto General Hospital*, and no accident has taken place from its administration."

Dr. James F. W. Ross says, "I have overcome my former prejudice against Ether, but The LYMAN BROS. & CO., Ltd., are now supplying an article put up in 1 and 2 lb. tin equal to any in the market. I have used it frequently, and have seen it used by others during the last twelve months for operations of all degrees of severity. The after effects are no greater than after Squibb's, or any other pure Ether."

WE CLAIM FOR THIS ABSOLUTE PURITY AND COMPARATIVE CHEAPNESS.

(When ordering, specify LYMAN BROS.)

The LYMAN BROS. & CO. (Ltd.) = TORONTO.
