### ABSTRACT OF REPORTS

PRESENTED AT THE

## ANNUAL MEETINGS

HELD

Tuesday 3rd and Tuesday 10th

OCTOBER, 1882.

### THE DEVOTIONAL COMMITTEE

Has aimed not only to keep up and utilize the interest already manifested, but to increase that interest and extend the usefulness of the work. The following reports shew progress made in the meetings under its supervision.

### THE DAILY NOON MEETING FOR PRAYER

Has been held without interruption. It has been a place of blessing to many, and strangers have oft-times given their testimony as to its helpfulness.

### SATURDAY EVENING MEETING FOR YOUNG MEN.

If this meeting were a failure, all would be a comparative failure, for it is the most important social religious gathering held in our rooms. Reviewing the past there is cause for heart-felt thanks in the recollection of increased and increasing interest. Words spoken have been blessed of God to the saving of souls. Many letters on our fyle speak of encouragement received, resolutions strengthened, or new impulses imparted through this meeting: and an oft-repeated sentence is, "I miss the Saturday night meeting."
