

with several other "Y. P. A.'s," they repaired on Tuesday, April 23rd.

On April 25th, a very excellent concert, at which most of the singers were professionals who generously gave their services, was held under the joint auspices of the Y. P. Association and Y. M. Association. Unfortunately the weather that night was even more disagreeable than it has been so many other nights and days of the past month, and this interfered to a considerable extent with the size of the audience. Both the Rector and Mr. Kenrick were at an important meeting at Trinity College that evening, which had the effect of keeping them away. The Rector, however, was able to look in at the end of the evening. The societies concerned wish to give their special thanks to Miss Phillips, through whose efforts most of the "talent" was secured, and to "The People's Florist," Queen St., who kindly loaned the plants used for decorating the hall.

Under this heading we may also mention a pleasant evening which was spent at 73 Baldwin St., on Thursday, April 18th, when Mrs. Kenrick entertained the members of the Young Men's Bible Class. Here, also, let us state that a Lacrosse Team has been organized for the season in connection with the Y. M. A. In this, Messrs. Godfrey Horlock and George Baldoch are the moving spirits.

WARDENS' REPORT.

The financial statement presented by the Wardens showed that there was a credit balance of \$103.67, the first credit balance in several years. The year's revenue exceeded the expenditure by \$433.42, but of this \$329.77 was taken to wipe out the bank overdraft which had accumulated from previous years. Below is the statement re-arranged with a view to making it more accurately show from what sources and for what purposes funds were received and expended. The second column of figures shows the result of a comparison with the previous year, that is where there has been an increase or a decrease, it is indicated by the abbreviations, inc. or dec. During the twelve months making the past year, two Easters occurred. For that reason the open offertories of the last Easter Sunday and the last Good Friday are classed as

"Special" revenue. There will be no Easter in the current year of this church's finances. The statement showed:
