MEETINGS OF PRESBYTERIES.
Toronto - In Grace Church, on the 1st day of Oct., at 2 o'clock p.m.
Kingston - Next meeting of Kingston Presbytery to be held in Brock Street Church, Kingston, on the 1st Tuesday of October, at 3 p.m.

Commercial.

PRODUCE.
The market has been fairly active, and prices have advanced during the week. Latest English advices show that the weather has been rather broken, but so far has made but little change in price, only 2d. per cental being the rise in wheat, and 9d. per bushel during the week.

FLOUR - The market has been but poorly supplied during the past week, and prices have advanced fully 10c. to 15c. per barrel. No. 1 super. sold at \$5.75 f.o.c. Fancy, which are scarce, have been sold at \$6 to \$6.10. Extras, \$6.65 to \$6.75.

WHEAT - We have not heard of any transactions of consequence. On the street market, white wheat brought \$1.30 to \$1.35; Treadwell \$1.27 to \$1.30; and Spring \$1.18 to \$1.20.

OATS - Small offerings during the week, which have been taken at 40c. on track for Canadian, and 37c. for Chicago. On the street market 39c. to 40c. is paid.

BARLEY - The market is just beginning to move, but no cargo-lots have yet been obtained. Our street market has been run up from 80c. to \$1.02, but we do not consider that this will be any criterion of future prices, for as soon as barley arrives in quantity, the market will no doubt settle down, buyers having run up prices evidently with a view of hurrying forward the market, which this year is some two weeks late.

PEAS - Nothing doing. No stocks.

CORN - No transactions to note. Demand small.

PROVISIONS.

BUTTER - Sales reported of cars selected shipping lots at 17c. to 17 1/2 c., and round lots at 15 1/2 c. to 16 1/2 c. Market quiet, except for really choice, which meets with purchasers readily at our quotations.

CHEESE - In fair demand for local trade.

EGGS - Nothing doing except on street mark et

PORK - Selling in ten barrel lots at \$18.

BACON - No lots of Cumberland to be had at under 9 1/2 c.; small orders filled at 9 1/2 c.; good demand, and stocks rapidly diminishing.

LARD - Price advanced to 10 1/2 c. for tierces, and 10 3/4 c. for tinnets, accordi to quality.

HAMS - Demand has been quite brisk, at 1/2 c. advance on last week's prices. Canned 1/4 c. to 1 1/2 c., and smoked 13c. to 13 1/2 c.

SECOND EDITION.

A LECTURE delivered before the ONTARIO TEMPERANCE AND PROHIBITORY LEAGUE, by the

REV. R. WALLACE,

The wines approved of in Scripture not intoxicating: the whole teaching of the Bible opposed to the use of intoxicants; God requires more of Christians now in the matter of total abstinence than He did of our fathers, it does not supplant the Gospel; the use of intoxicants does not promote health or strength; enormous loss of life and property, as well as crime and misery caused by the liquor traffic; prohibition the only effectual remedy. A pamphlet of 30 pages, with recommendation of Rev. A. SUTHERLAND, President of the League.
