NEW AND ELEGANT ILLUSTRATED WORK.

PUBLISHED, with the approbation of the Most Rev. Dr. HUGHES, Archbishop of New York.

Just ready, part 3., with two superb Engravings, price 1s 3d. THE LIFE OF THE BLESSED VIRGIN MARY, MO-THER of GOD; with the History of the Devotion to Her.— Completed by the Traditions of the East, the Writings of the Fathers, and the Private History of the Jews. Translated from the French of the Abbe Orsini, by Mrs. J. Santier. To be completed in from fourteen to sixteen parts, with a very

fine Steel engraving in each.

NOTICES OF THE PRESS:

"We intended this week a lengthy notice of the first number of this work, but in consequence of a pressure of news, not to be omitted, we must delay it for a luture occasion.

"We shall only say now that the original is a work of the very highest reputation; that it includes everything in record, or in traditions, about our gracious and blessed Lady, and that Mrs. Saddier is the translator of that original. Herename is praise enough.

"As to the typography and paper, the Sadlier's seem to have considered this their test work, and to have spared no expense in making it, what it is, the most perfect of its kind. The Life of our Blessed Ludy, so produced, will surely have a place in every Catholic household in the New World."—

"A Splended New Work.—We have received through Mr. Cunningham, No. 1, of the 'Life of the Blessed Virgin Mary,' a work which the Messrs. Sadlier of New York, have just commenced to issue in numbers. This life of the B. V. has been translated from the French of the Abbe Orsini by Mrs. Sadlier, and is issued with the recommendation of the Archbishop of New York. The publication will be completed in fourteen numbers. The specimen before us is a splendid exhibition of the typographical art, and gives promise of a volume of great richness. It is also illustrated with several charming engravings."—Philadelphia Catholic Herald.

In calling public attention to the subjoined list of the Ships which comprise our Boston Line of Packets, we believe that its general reputation as the first of American Lines is sufficiently well known and established. The Thousands of Letters which have been sent by American Immigrants to their friends in every part of Europe, have borne ample testimony to the Rapid and Successful passages made by those Ships, and to the superior Health, Comfort, and Safety which their Passengers have hitherto enjoyed. Many of them will be recognized as vessels which have gained the very highest character, by a succession of unusually rapid passages. selves or their immediate servants. acter, by a succession of unusually rapid passages.

These magnificent Ships are all AMERICAN BUILT, and constructed expressly for Puckets. They are all New and of the First Class, being built on the most improved principles, the First Class, being built on the most improved principles, and of the best materials. They possess all modern improved ments which conduce to health and confort, as a superior system of lighting and ventilating, the very best Provisions, and a careful medical superintendence. The Captains have been carefully selected as first rate sailors and men of humanity, and an experienced Surgeon is attached to each Ship, and no expense is spared to render this the best and the most popular conveyance to America. As Train & Co. have made such arrangements in Liverpool as will Protect their friends from the frands and impositions sometimes practised there, they believe that those who pre-pay passages cannot but see the advantage of being able to engage with a Respectable House, on favorable terms, for a well known Line of magnificent Packet Ships, and in this way avoid the disrespect, annoyance and delay which they so often experience, when they engage with Agents who are but slightly connected with transient Ships.

As a proof that their Immigration business is conducted on principles uniformly honorable and humane, and that they have been distinguished for the most exact fulfillment of all their Engagements, we are permitted to refer to the Very Rev. THEOBOLD MATHEW, Cork, Ireland.

We also subjoin the following testimonial from the Right Reverend JOHN BERNARD FITZPATRICK, Bishop, Ga-

thedral, Beston:—
