

Jeddo, the capital of Japan, is, without exception, the largest city in the world. It contains the vast number of 1,000,000 dwellings and 5,000,000 of human souls. Many of the streets are nineteen miles in length, which is equivalent to twenty-two English miles.

HOME EVIDENCE.

Mr. R. DUGAL, Chemist and Druggist, Crown Street, Quebec:

Sir,—I send you the following certificate attesting the efficacy of **BRISTOL'S SASSAPARILLA**:

RESULT OF A SLOW FEVER.—I certify that on the 19th March, 1860, my son, nine years old, was obliged to keep his bed from the above sickness. I employed the best doctors, who took him under their charge for two years, without affording relief. Last spring I commenced to give BRISTOL'S SASSAPARILLA, and from the moment he began taking the remedy a rapid improvement took place, and at present he can walk with facility. I therefore advise all persons suffering with similar maladies to try BRISTOL'S SASSAPARILLA.

JEAN LACHANCE.

St. Roch de Quebec, 5th Aug., 1863.

IT IS ASTONISHING.

Still another grateful letter sent to Messrs. Devins & Bolton, Druggists, Montreal, Next to the Court House.

DEAR SIRS,—For years I have suffered severely from liver complaint, constant pain in the side, no appetite, intense drowsiness and a sense of suffocation compelling me at times to remain in bed for three or four days. For two years I was constantly taking medicine under the advice of two of our best city physicians, without getting any relief. By their orders I spent the whole of last summer in the country, but without relief; last March I was advised by a friend who knew its virtues to try Bristol's Sarsaparilla but I had lost confidence to every thing and was fearful of getting worse, at last I did try it, its effect was most beneficial, my appetite returned, the heavy drowsiness left me and my digestion became vigorous and healthy. I used in all 12 bottles and am now as strong and well as any man could desire. You are at liberty to make my case known to the public.

Yours very truly,

J. H. KENNEDY.

Ayer's SASSAPARILLA

THE WORLD'S GREAT REMEDY FOR

SCROFULA AND SCROFULOUS DISEASES.

From Emery Lodge, a well-known merchant of Lowell, Mass.

"I have sold large quantities of your SASSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristol, England.

"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SASSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SASSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Dennisville, Cape May Co., N. J.

"My daughter has suffered for a year past with a scrofulous eruption on her face, which was very troublesome. Nothing afforded any relief until we tried your SASSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known firm of Gage, Murray & Co., manufacturers of enamelled papers in Nashua, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could of for advice and medicine, but without any relief whatever, until I took your SASSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as anybody's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SASSAPARILLA."

Erysipelas—General Debility—Purify the Blood.

From Dr. Robt. Savin, Houston St., N. Y.

"Dr. AYER'S Sarsaparilla failed to remove Eruptions and Scrofulous Sores by the persevering use of your SASSAPARILLA, and I have just now cured an attack of Malignant Erysipelas with it. No alternative we possess equals the SASSAPARILLA you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Wakanan, Ohio.

"For twelve years I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars' worth of medicines. The sores were so bad that the center became visible to the people. I decided that my arm must be amputated. I began taking your SASSAPARILLA. Took two bottles, and some of your PILLS. Together they have cured me. I am now as well and sound as anybody. I have a public place, my name is known to everybody in this community, and excites the wonder of all."

From Hon. Henry Monro, M. P. of Newcastle, C. W., a leading member of the Canadian Parliament.

"I have used your SASSAPARILLA in my family for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Roso, Salt Rheum, Scald Head, Sore Eyes.

From Harvey Siebler, Esq., the able editor of the Trenchman's Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a festering and violent sore, which covered his face, and actually blinded his eyes for some days. A skillful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his eyes, and with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SASSAPARILLA, and applying the lotions of potent lotion, as you direct. The sores began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Reading, Pa. 6th May, 1861.

J. C. AYER, M. D. Dear Sir I have a long time been afflicted with an eruption which covered my whole body, and suffered dreadfully with it. I tried the best medical advice in our city without any relief. Indeed, my disease grew worse in spite of all they could do for me. I was finally advised by one of our leading citizens to try your SASSAPARILLA, and after taking half a bottle only, I found that it had reached my complaint, and my health improved surprisingly. One single bottle completely cured me, and I am now as free from the complaint as any man in the world. Publish this, and let the afflicted know what you have done for me, and what may be done for their relief.

Yours, with great respect and gratitude,

JACOB H. HAIN.

The above certificate is known by us to be true, and any statement from Mr. Hain entirely reliable.

HARVEY BIRCH & BAC.,
Druggists, Reading, Pa.

B. W. BALL, Esq., the eminent author of this city, states, 6th Jan., 1860: "My wife has been of late years afflicted with a humor which comes out upon her skin in the autumn and winter, with such insufferable itching as to render life almost insupportable. It has not failed to come upon her in cold weather, nor has any remedial aid been able to hasten its departure before spring, or at all alleviate her sufferings from it. This season it began in October with its usual violence, and by the advice of my physician I gave her your SASSAPARILLA. In a week it had brought the humor out upon her skin worse than I had ever seen it before; but it soon began to disappear. The itching has ceased, and the humor is now entirely gone, so that she is completely cured. This remarkable result was undoubtedly produced by your SASSAPARILLA. Charles P. Gage, Esq., of the widely-known Gage, Murray & Co., manufacturers of enamelled papers in Nashua, N. H., writes to Dr. Ayer:

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could of both advice and medicine, but without any relief whatever, until I took your Sarsaparilla. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe to your Sarsaparilla."

Boston, Jan. 8, 1861.

J. C. Ayer, M.D., Lowell—Dear Sir—For a long time I have been afflicted with a humor which broke out in blotches on my face and over my body. It was attended with intolerable itching at times, and was always very uncomfortable. Nothing I could take gave me any relief until I tried your Sarsaparilla, which has completely cured me.
