BOOKLETS

We invite those who intend publishing Booklets to see or write us. We print them.

We have a plant particularly well adapted for the production of first-class work.

We have printed Booklets for many large Canadian firms, and the fact that they do not ask for quotations in competition with other printers proves that our work is satisfactory both in price and quality.

Our presses are now busy on large editions for January circulation; we want orders now for work to be completed by February next.

We deliver work when promised. Kindly let us hear from you.
