

IT SEEMS TOO SMALL to do any good, when you look at one of Dr. Pierce's Pleasant Pellets. But just try it, when you're bilious or constipated, or have a sour stomach, or a fit of indigestion—and you'll own up that they're the best things in the world.

That's because they cure permanently, and do it, pleasantly. They're tiny, sugar-coated, and easy to take. There's no disturbance to the system, diet, or occupation. Satisfaction guaranteed, or money refunded.

Houston, Minn.  
Dr. R. V. PIERCE: Dear Sir—I could tell of a number of cases where Dr. Pierce's Family Medicines have cured. A friend of mine, Mr. Williams, was about used up with liver troubles; now he says that "Pleasant Pellets" have helped him more than any or all the medicines that he has ever taken.

**A Common Error.**

Chocolate & Cocoa are by many supposed to be one and the same, only that one

is a powder, (hence more easily cooked,) and the other is not.

This is wrong--

TAKE the Yolk from the Egg,  
TAKE the Oil from the Olive,  
What is left?

A Residue. So with COCOA.

In comparison,  
COCOA is Skimmed Milk  
CHOCOLATE, Pure Cream.

The Bank of France has put in circulation notes printed on ramie paper. The notes are of the same form as the old-fashioned ones, but the new paper is lighter and at the same time firmer than the old, and permits a clearer impression, rendering counterfeiting more difficult.

As to which should be the national flower there exists many opinions, but there is only one opinion as to which is the national pen, Esterbrook's Falcon No. 048.

The total production of coal in New Zealand in 1892 was 673,315 tons from 148 mines. Many of these are small, however, and 10 mines furnished 80 per cent. of the total. There were 1,681 men employed, the average output being 400 tons per man. Only one life was lost during the year and 18 persons were injured.

The joints and muscles are so lubricated by Hood's Sarsaparilla, that all rheumatism and stiffness soon disappears. Get only Hood's.

Messrs. Moody and Sankey will commence their next season's campaign by a series of services at Providence, R. I. The report that they are going to Europe is unauthorized and incorrect. They received an urgent invitation from a large number of English ministers, but decided not to accept it for the present.

#### TORONTO TESTIMONY.

DEAR SIRS,—Two years ago I had a bad attack of biliousness and took one bottle of Burdock Blood Bitters, and can truly recommend it to any suffering from this complaint.

MRS. CHARLES BROWN, Toronto.

The mission to deep sea fishermen on the coast of Labrador, which were sent out from St. John's, Newfoundland, has accomplished excellent service during the past summer. The ship that was sent carried three mission doctors. These treated 2,250 patients and erected two hospitals, which have been very serviceable.

#### ALTOGETHER DISAPPEARED.

GENTLEMEN,—About two months ago I was nearly wild with headaches. I started taking B.B.B., took two bottles and my headaches have now altogether disappeared. I think it a grand medicine.

EVA FINN, Massey Station, Ont.

#### GORED BY A COW.

A fine colt belonging to Mr. Peter Lindsay, of Nixon, Ont., was badly hooked by a cow. Two bottles of Hagyard's Yellow Oil cured it. This invaluable remedy should be in every house. It cures cuts, sprains, bruises, burns, and all pains and aches in man or beast.

A rumor that the Baldwin Locomotive Works would close down entirely and remain closed until the latter part of January is denied: "there are about one hundred engines in course of construction at the works, and that they have several other contracts for locomotives, both for the West and East, which will keep the present force working full time for a number of weeks."
