## **CIIPS Awards Programme**

The Institute invites applications for the CIIPS Awards Programme. The programme is open to both academics and non-academics who wish to enter or continue their work in the field of international peace and security. The programme is intended to encourage expertise and scholarship in questions of international peace and security and to develop contacts with the international com-

munity by supporting Canadians who wish to pursue their studies at institutions abroad, or exceptionally, in Canada.

Applicants must be Canadian citizens and hold at minimum a first degree or equivalent experience.

The Institute has set aside \$173,000 to award ten scholarships; three of which will be valued at \$25,000 and seven at \$14,000. Applications will be assessed by an independent selection committee and decisions will be announced in May 1989.

The Association of Universities and Colleges of Canada administers the programme on behalf of the Institute. The deadline for applications for the 1989-1990 academic year is 1 February 1989.

For further information and application forms please write to:
