

8. The term "territory" means the land, including islands, and internal and territorial waters, over which a State Party exercises sovereignty.

9. The term "passive quota" means the number of observation flights that each State Party is obliged to accept as an observed Party.

10. The term "active quota" means the number of observation flights that each State Party has the right to conduct as an observing Party.

11. The term "maximum flight distance" means the maximum distance over the territory of the observed Party from the point at which the observation flight may commence to the point at which that flight may terminate, as specified in Annex A to this Treaty.

12. The term "sensor" means equipment of a category specified in Article IV, paragraph 1 that is installed on an observation aircraft for use during the conduct of observation flights.

13. The term "ground resolution" means the minimum distance on the ground between two closely located objects distinguishable as separate objects.

14. The term "infra-red line-scanning device" means a sensor capable of receiving and visualizing thermal electro-magnetic radiation emitted in the invisible infra-red part of the optical spectrum by objects due to their temperature and in the absence of artificial illumination.

15. The term "observation period" means a specified period of time during an observation flight when a particular sensor installed on the observation aircraft is operating.

16. The term "flight crew" means individuals from any State Party who may include, if the State Party so decides, interpreters and who perform duties associated with the operation or servicing of an observation aircraft or transport aircraft.

17. The term "pilot-in-command" means the pilot on board the observation aircraft who is responsible for the operation of the observation aircraft, the execution of the flight plan, and the safety of the observation aircraft.

18. The term "flight monitor" means an individual who, on behalf of the observed Party, is on board an observation aircraft provided by the observing Party during the observation flight and who performs duties in accordance with Annex G to this Treaty.

19. The term "flight representative" means an individual who, on behalf of the observing Party, is on board an observation aircraft provided by the observed Party during an observation flight and who performs duties in accordance with Annex G to this Treaty.

20. The term "representative" means an individual who has been designated by the observing Party and who performs activities on behalf of the observing Party in accordance with Annex G during an observation flight on an observation aircraft designated by a State Party other than the observing Party or the observed Party.

21. The term "sensor operator" means an individual from any State Party who performs duties associated with the functioning, operation and maintenance of the sensors of an observation aircraft.
