

CHAPTER 3**PENSIONS UNDER THE LEGISLATION
OF THE REPUBLIC OF ESTONIA****ARTICLE XVII****Calculating the Amount of Pension Payable**

1. If a person is eligible for a pension solely through the application of the totalizing provisions of Chapter 1, the competent institution of the Republic of Estonia shall calculate the amount of pension payable to that person according to the legislation of the Republic of Estonia, exclusively taking into account periods completed under its legislation.
2. In determining the right to a deferred old-age pension, no account shall be taken of a benefit paid under the legislation of Canada, whether by virtue of this Agreement or under that legislation alone.
