

Premier's Office
Prince Edward Island

Charlottetown, March 2, 1951

Hon. Stuart Garson, K.C.,
Minister of Justice,
Ottawa, Ontario.

Dear Mr. Garson:

Thank you for your letter of February 23, regard-
ing proposed constitutional amendments.

The position of the government of Prince Edward
Island regarding these amendments is that con-
tained in my letters to you of January 5 and 25 last.

Should, however, it become expedient to adopt
one of the substituted draft amendments set forth
in your letter of February 23, respecting old age
pensions, Prince Edward Island would prefer the
text of the third draft.

Yours very truly,

J. Walter Jones
Premier
