

CANADIAN PACIFIC RAILWAY COMPANY

OFFICE OF THE CHAIRMAN AND PRESIDENT

MONTREAL

June 1st, 1932.

Dear Sir Arthur,-

I enclose herewith a letter and translation from the President of the Ninth International Congress of the History of Medicine.

I do not imagine McGill will be represented, but it is possible that Dean Martin may include this convention among the meetings he proposes to attend when he is in Europe.

Sincerely yours,

General Sir Arthur Currie, G. C. M. G.,
Principal and Vice-Chancellor,
McGill University,
MONTREAL, Que.
