"We will sell Rudolph or anybody else on the team if we think that by so doing the Leafs will be strengthened or benefited in any way by such players as may be secured in payment for him," said McCaffery and Kelley tonight. The Toronto management characterizes as nothing short of silly the rumon that Bradley will not start the season with the Leafs. Not only will he start that Bradley will not start the season with the Leafs. Not only will he start the season, but he will be at the red-light corner of the diamond when the flags fly at the Island Stadium on May 6. A man who hit 292 in addition to acting as captain and frequently as manager, who fielded brilliantly and helped materially to win the pennant, will not be thrown aside before the season opens.

TRADE OUTFIELDER.

All the Leafs' outfielders are left-handed batsmen, and Kelley is now arranga deal whereby one of them will be sent to a National League team

On Monday the Toronto Club hopes to be notified that waivers have been granted on the major league infielder, who is sought by the Leafs.

When the season opens on Wednesday the champias will go into the game at Newark in worse condition than in any inaugural for years. Saturday's and Sunday's games here were canceled on account of rain, but it is probable that a game will be played here tomorrow.

No games have been played since Wednesday of last week. If it be not possible to play tomorrow, the Leafs may jump to Brooklyn or Jersey City to get in one good practice before the season opens.

BATTING ORDER.

The batting order in the opening game will be: Shaw c.f., O'Hara l.f., Northen r.f., Jordan lb., Bradley 3b., McConnell 2b., Holly s.s., Bemis c., Maxwell or Brant p.

Jersey City refused to waiver on Holly, but since they have bought Bobby

President Solomon of the Newark Club has sent to Toronto for a huge Union Jack, which will be flown at the opening game in the New Jersey city.

White Sox Wallop Cleveland Two Games Saturday in American League.

At Boston.—Philadelphia defeated Bos ton 5 to 4 Saturday afternoon in a game that, barring the first inning, proved an interesting one. In the first, poor pitching by Bedient and some timely batting by the visitors, enabled them to score four runs. Then Coembs and Pennock in the box permitted the champions to tie up the score in their half of the inning. Philadelphia secured what proved to be the winning run in the third on Collins' single, his steal of second, and two outs at first. Leonard twirled an excellent game. Trimmed Big Store in Final Game of Utility League

-Findlay Was High Roller.

At the Toronto Bowling Club Saturday night, The World won the championship of the Utilities League by defeating the T. Eaton Company Printers in all three games. A better argument was looked for from the Big Store typos, who have been burning up the alleys all season, with big counts, but who seemed to be away off-color in the final test, their big hitters especially falling down in the pinch, while the old pep. that characterized that team's play on every other appearance was also lacking. The World, however, could not be denied this time, for, finishing no better than runners-up on many former occasions in the final, the team's pormer occasions in the final, for, finishing no better than runners-up on many former occasions in the final, the team apparently came for a killing, with "Walter" sparing the needle on no one, especially Lou Findlay, who broke up the game with a 236 count in the first spasm, and, with another pair of big games. was the hero for The World, with a 623 total. This let out the big clouters, however, with Duke Nelson and Andy Minty, for the Big Store, following in order, with 544 and 517, respectively. The scores:

AMATEUR BASEBALL.			

The Postoffice ball team will practice Tuesday and Thursday this week in Ketchum Park.

A meeting of the members of the Saranac Baseball Club will be held at 7.30 Monday night to elect a captain for 1913 and to decide which league the team will enter. All members are requested to be at 439 East King street.

The Red Sox and Belmonts had a good practice game Saturday at Bayside Park While the Sox were defeated it did not show their full strength. Of those present Adams, Woodgate, McFarlane and Morroney showed up well for their first practice. Hill, a recruit catcher, is not only a good catcher, but is a good hitter. The absentees were A. Hunt, W. Giles, J. Connolly, E. Jordan, C. Harvey, G. Howley and W. Jackson, who will all be in the next line-up.

The three sections of the Spalding Baseball League will meet on Tuesday night as follows: Juvenile. at 7. 45: junior, at 8.30, and intermediate at 9 o'clock. Applications from umpires will be received at this meeting.

All the teams of the Toronto Senior League took advantage of the fine weather Saturday and held their first practice of the season. The managers report they have a large number trying for the various positions, and it will be a hard task to pick the right ones. The league opens on May 3 with Crescent and St. Patrick, Judeans and St. Marys.

The Belmonts defeated the Red Sox on Saturday afternoon at Bayside Park by 10 to 4. The battery for the winners was McLean, Hallett, Lindsay and Stev-
