Light Butchers More Plentiful, But Cows and Bulls in Demand.

Receipts of live stock at the Union

Receipts of live stock at the Union Stock Yards were 116 carloads, comprising 2160 cattle, 1652 hogs, 173 sheep and lambs, 236 calves and 24 horses.

The top price for a straight load of choise cattle on Monday's market was \$7.60, which is 40c lower than one week ago. But the quality of the two loads sold one week ago was 20c to 25c better value, hence heavy cattle were 15c to 20c lower, and bore out The World's prediction regarding that class. Choice light hugher cattle were more plentiful, but buyers reported them to be no cheaper. Cows and bulls were in demand at steady prices.

### FINE CROP OUTLOOK IN SASKATCHEWAN

WINNIPEG GRAIN MARKET.

WINNIPEG, April 12—Firmer Liverpool cables caused a higher opening on the local wheat market and a further advance occurred later. Trading was quiet, only a light volume of business being worked, but sentiment was bullish and congestion in May on all markets assisted the strength. Nearing the close there was a slight reaction from high points. The cash demand for both wheat and oats was quiet and offerings were fair; very little business, however, was forthcoming.

Cash wheat closed 1%c higher on contract grades; oats, %c to %c up, and flax 1%c higher.
