spoke of the good work that might be accomplished among the young by more decided temperance teachings in the Sunday schools. Before taking his seat he moved the following resolution: "That the evil of intemperance being so great in this city it is desirable that the various temperance societies should organize more united efforts to contest against it." Mr. E. V. Chambers, Rev. G. H. Tovey and Rev. C. E. Cooper spoke in support of the resolution, which was carried by sociamation.
