TRIMMINGS  
AND EDGINGS,

RUFFS  
AND MUFFS,

ROBES  
AND RUGS,

Sound brains furnish practical ideas. A hat being a close neighbor to brains, is entitled to harvest the crop. We use our brains in carefully selecting our styles of Hats; we study how to obtain a practical shape-retaining hat, to be sold for as little money as it possibly can according to the quality. **BELTZ, the Leading Hatter.**
