These Men Believe in Coquitlam

SPECIAL TRAIN
COQUITLAM
TERMINAL CAR

Excursion Run From Vancouver to Coquitlam by Coquitlam Terminal Company, on March 16th, 1912

The men you see in this picture went out to Coquitlam to look it over—and to buy good Terminal Townsite lots there.

When you look into the faces of these men you at once are overcome with a feeling of happiness, enthusiasm, optimism.

Everybody is smiling—everyone has that prosperous Coquitlam look.

But remember they did not go to Coquitlam for a holiday—to a picnic. They went on business.

These men are not chasing any rainbows—they know what Coquitlam and the Vancouver Metropolitan District is going to be. Most of them have seen the West grow to what it is, they breathe the Western spirit—hence their smiles about Coquitlam.

Most of these men are business men—men who do not throw their money away without first taking a good look at it. Most of them knew about Coquitlam and bought lots there even before they went out to look at them.

The two months which have elapsed since this excursion took place have been the busiest two months Coquitlam ever saw.

Now the first unit of the 48-stall roundhouse is under contract to be finished by June 30, 1912—the firm of Sanford Gordon & Son has nearly 100 men working on it. Two lumber mills have been built, several hotels are going up, and dozens of houses, stores, offices, etc., are being rushed to completion. We ourselves are about to build 25 houses on the Townsite property. We are also building at a cost of \$30,000 an industrial spur track to serve the industries, wholesalers, etc., who are coming to Coquitlam.

The C. P. R. has about one thousand men laying tracks and yards at Coquitlam, the municipality about one hundred men and twenty teams working on streets and roads, and M. P. Cotton & Co., who have the contract for clearing streets, etc., have about two hundred men at work, and approximately three hundred men are working in the building trades building houses, hotels, etc.

Last week they opened at Coquitlam a roller skating rink and a moving picture theatre—six months ago there was nothing but a level piece of ground there, and even two months ago when these men you see in the picture went there there was practically nothing except a few shanties.

Grow with Coquitlam—but to do so you have to buy in the townsite—not a subdivision.

Record Bargains in Used Automobiles

Big Sale of Splendid Motor Cars at Sacrifice Prices

WE HAVE some extraordinary values in used Automobiles. Every year we secure exceptionally fine cars of different leading makes taken in exchange for larger and more powerful Russell models, but this year the list includes by far the best we have ever brought together.

They are priced at their cost to us—that is, the price allowed for them to their former owners.

They are not to be confused with worn-out or unreliable cars; they are big values in every sense of the word, are in excellent condition and ready for hard service and plenty of it.

We invite careful examination at our Show Room, and will be pleased to give a thorough demonstration of any car which interests you. Everybody is getting their car now, and, as usual, the list will be reduced quickly. Early investigation is strongly advised.

Here are a few of them—all on display at 100 Richmond Street West

For \$500

A thirty horse-power, fully equipped, five-passenger touring car in splendid running order. Must be seen to be appreciated.

For \$800

A thirty horse-power, four-cylinder delivery wagon. Body is brand new with wired sides. This is a great bargain.

For \$800

A fifty horse-power, seven-passenger touring car, fully equipped, with top, glass front, magento and lamps, and costing originally \$4,000. A sacrifice.

For \$800

Seven-passenger car, original price about \$600. Too large for its owner. A big bargain.

For \$1,500

Up-to-date thirty horse-power, seven-passenger touring car, equipped with fore-door. A splendid delivery proposition ready for service.

For \$1,900

Seven-passenger thirty horse-power touring car, with beautiful limousine body extra. A snap for either private use or livery.

Remember, this is but a few of many. Come in at once before the list is depleted, or write for complete list ranging from \$200 upward.
