Bedfast for 6 Months-Cured by My Belt. No. 9 Buffalo St., Brantford, Ont., Sept. 6, 1906.

DR. McLauchlin: Dear Sir,—I came to Brantford a little over two years ago crippled up with rheumatism so bad I had to be carried into the house, and was bedfast for six months. I went to Preston and took the baths and received slight benefit from them. I then bought one of your Belts, and at that time considered my case hopeless. I have improved steadily since wearing it, and have been able to resume my business as builder and contractor. I have recommended your Belts to many as a sure cure for Rheumatism, even in its worst form, as I was about as bad as anyone could be with it when I got your Belt, which has, I am glad to say, completely cured me. The Rheumatism had affected my heart, and it has greatly improved me in that respect. With bost wishes, I remain, No. 9 Buffalo St., Brantford, Ont., Sept. 6, 1906.
